# Exemplar Learning Rooms and Reviewer Mode

Reviewer Mode provides a read-only view of any active Learning Room across the university. Use Reviewer Mode to access exemplar learning rooms – these will look a little different to yours as a new VLE template will be used in 2020/21.

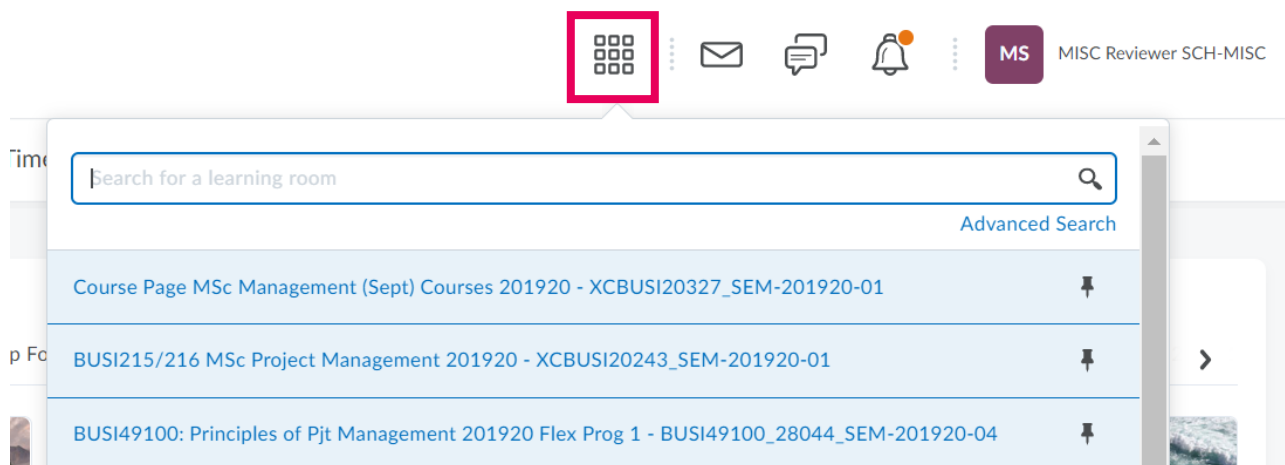

## Enter Reviewer Mode

To enter Reviewer Mode:

1. Navigate to [now.ntu.ac.uk](http://now.ntu.ac.uk)
2. Log in to NOW.
3. On the home page, scroll down to find the **Staff Tools** widget.
4. Click the **Enter Reviewer Mode** button, under Staff Tools. Once you enter Reviewer Mode, your normal access is suspended, and you have read-only access to most Learning Rooms in NOW.

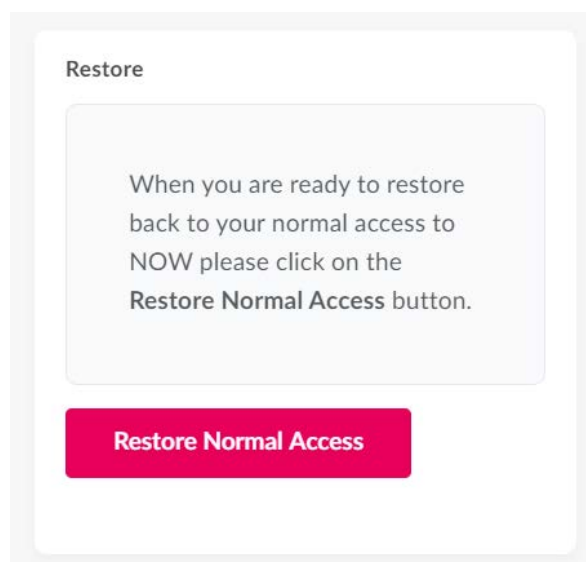

5. Find and click the **Select a Learning Room** option, then use the search bar to find the desired Learning Room. Or enter the URL.

**Note:** Search results may show a version of the learning room for each academic year. Some learning rooms may not show as these may be restricted or not active.

- To exit Reviewer Mode, navigate to the landing page by clicking the NOW logo at the top left. When the landing page loads, scroll down and find and click the **Restore Normal Access** button.

For extensive information on Reviewer Mode, visit [NOW Central](#).

Some of these modules were created at the start of the COVID-19 outbreak, so they are examples of good practice and may not be perfect.
