Course content guidelines – copy bank (postgraduate/professional courses)

Here you will find a bank of generic copy that you can use instead of / in addition to specific information relevant to your own course(s). Note that there may be sections that aren’t relevant to your particular course.

Please also refer to the Best Practice Course Content notes for more guidance and ideas.

Entry requirements (UK)

What are we looking for?

*Insert entry requirements specific to your course (as in Postgraduate prospectus factfiles)*

e.g.

- 2.2 honours degree in a related subject; and
- GCSE English and Maths grade C.

Other requirements:

- Interview; and
- Academic and vocational reference.

A creative portfolio is also needed for entry to this course.

Applicants with non-standard entry requirements and / or relevant experience will be considered on an individual basis.

Or:

We specify these minimum entry requirements, but we will assess you individually on your ability to benefit from the course. We sometimes offer places on the basis of non-standard entry qualifications, and industrial or professional experience.

*[Include the copy below if your course is a Research degree.]*

As you’re applying for a Research degree (MPhil, PhD and Professional Doctorates), you will need to submit a statement about the subject you wish to research. Please see our Graduate School pages for more information about this.

Getting in touch
If you need any more help or information, please email our Admissions Team or call on +44 (0)115 848 4200.

Entry requirements (International)

International qualifications
We accept qualifications from schools, colleges and universities all over the world for entry onto our UG and PG degrees. If you’re not sure how your international qualification matches our course requirements please visit our international qualifications page.

Pre-masters and foundation courses

If you need to do a foundation or pre-masters course to meet our course requirements please visit Nottingham Trent International College (NTIC). If you’re already studying in the UK at a school or college and would like to know if we can accept your qualification please visit our foundation and pre-masters courses page.

English language entry requirements

If English is not your first language you need to show us that your language skills are strong enough for intensive academic study. We usually ask for an IELTS test and we accept some alternative English language tests.

- For a list of our language requirements please visit our English language page.
- If you need to do a pre-sessional English language course to meet the English requirements please visit our pre-sessional English course page.

Help and support

If you have any questions about your qualifications or about making an application to the University please contact our international team for advice.

How to apply (UK)

[Add any course specific info. about the application process e.g.:

- Is there an interview for this course? If so, what is the criteria?
- What does the interview process involve?
- Are there any other selection criteria students should know about? E.g. do students need to submit work?

Ready to join us? Then apply as soon as you can. Just click the Apply button at the top of the page and follow the instructions for applying. Make sure you check the entry requirements above carefully before you do.

[Include the copy below if your course is a Research degree.]
As you’re applying for a Research degree, you may also like to have a look around our Research pages. This may help you to spot academic staff, research areas or projects that interest you.

Writing your application

Be honest, thorough and persuasive in your application. Remember, we can only make a decision based on what you tell us. Make sure you include as much information as possible, including uploading evidence of results already achieved, as well as a personal statement.

Keeping up to date

After you’ve applied, we’ll be sending you important emails throughout the application process - so check your emails regularly, including your junk mail folder.

You can get more information and advice about applying to NTU in our postgraduates’ guide. Here you’ll find advice about how to write a good personal statement and much more.

Getting in touch

If you need more help or support, you can call our Admissions Team on +44 (0)115 848 4200.

Good luck with your application!

If you’re applying for postgraduate research please visit our Research pages for information about our research areas and how to make your application.

Apply now (portal)

Keeping up to date

After you’ve applied, we’ll be sending you important emails throughout the application process - so check your emails regularly, including your junk mail folder.

Please read our notes on the University’s commitment to delivering the educational services advertised.

Optional: Include a link to the academic calendar. International students often ask the course start date and duration. Link to this page, where appropriate: http://www.ntu.ac.uk/future_students/courses/term_dates/index.html.

Fees and funding (UK)

[Add any course specific info. about fees and funding.]

Preparing for the financial side of student life is important, but there’s no need to feel anxious and confused about it. We hope that our fees and funding pages will answer all your questions.
You might be able to get a scholarship to help fund your studies. We award scholarships to those students who can demonstrate excellent achievement, passion and dedication to their studies.

Please take a look at our postgraduates’ guide funding page for information about sourcing grants, bursaries and scholarships, and much more.

[Include copy below if your course is a Research degree.]

Research degrees

You can find information about fees and funding for Research students here.

Getting in touch

For more advice and guidance, you can contact our Student Financial Support Service.

Tel: +44 (0)115 848 2494

Fees and funding (International)

We offer prestigious scholarships to new international students holding offers to study at the University.

- For more information on these and other opportunities for funding please visit our international scholarships page.

- For information on how to pay your fees to the University please visit our international fee payment page.

[You could add this to the ‘key facts about fees and funding’ section if you like:]

Nottingham is ranked as one of the top 20 most cost effective cities in which to study in the UK Natwest Student Living Index 2014
