Choosing where to study and what course to do is a life-changing decision – we’re honoured that you’re interested in studying with us.

At NTU you’ll be part of a community of students and staff from over 160 countries around the world. Nottingham is a welcoming city and we know you’ll make friends for life here.

Welcome to Nottingham Trent University (NTU)

It’s a great time to join us – this guide will show you why we are one of the most popular universities in the UK. You’ll also find information about:

• our courses
• campuses and facilities
• academic schools
• scholarships

We hope you’ll find a course that’s just right for you and we look forward to welcoming you to the University soon.
A great place for you to study

Join a Guardian top 20 university which has been awarded University of the Year for the last three years in the UK’s education ranking press.

97% of our graduates are in employment or further study just six months after graduating.

You’ll be taught by experienced, expert teachers at a university rated Gold for outstanding teaching quality.

You’ll be living in a popular and cosmopolitan UK city.

With a top 10 UK ranking for number of students on work placements, you know you’ll be joining a university that will make practical experience a priority.

Enjoy using first-class facilities at a university that’s invested over £450m in our campuses in the last 15 years.

You’ll be joining a truly international community at NTU – with students and staff from over 160 countries.
Every NTU course has opportunities to gain practical skills and experience.

• One-year work placement
Apply for one-year paid placements with a company or organisation. These may be in Nottingham, in another part of the UK, or in another country.

• Shorter work placements and projects
Short internships or consultancy work-based projects with a company are an important part of many of our courses. They range from 30 hours to 12 weeks.

• Professional, transferable skills
You’ll be learning planning, communication, analysis, creativity, cooperation and problem-solving skills – no matter what NTU course you do. These are skills that’ll really help you make the journey between studying and working.

Completing a work placement can have lots of benefits. It can build your confidence, improve your CV and help you stand out to future employers.
Postgraduate and undergraduate course list

We offer over 500 full-time courses and all offer opportunities for practical experience. Most undergraduate courses and many of our postgraduate courses include an option to apply for a work placement.

Most courses are listed here and postgraduate work placement options are marked with a ✓ in this list. We also offer:
• pre-sessional English courses (page 18)
• MPhil/PhD research degrees in all subject areas (page 28)

Undergraduate courses
(Bachelors – BA, BSc, LLB)
take 3 years, or 4 years with a work placement.

Postgraduate courses
(Masters – MA, MSc, LLM)
take 1 year, or 2 years with a work placement.

Visit www.ntu.ac.uk/courses to find out exactly what you’ll study on each course and any specific entry requirements.

Pre-sessional English for Academic Purposes (PEAP)

If you need help achieving our English language requirements we may offer you a place on the condition that you successfully complete a PEAP course at the University before your course begins.

The cost and length of your PEAP course will depend on your current level of English. Our courses range from 6 to 20 weeks.

You can get free language support classes throughout your time as a postgraduate or undergraduate student here, including one-to-one help with writing.

www.ntu.ac.uk/peap

International and EU scholarships

We offer postgraduate scholarships to international and EU students who have offers to study at NTU.

If you are progressing from one of our partner universities, you are eligible for either the NTU Scholarship or the partner progression discount.

Our scholarships are highly prestigious, competitive awards, up to half the total tuition fee in value.

Details of all the awards are on our website, including application advice and deadlines.

Scholarship Awardees

You’ll be offered exclusive opportunities and activities during your time here, including an invitation to our prestigious Scholarship Awards Celebration to collect your award.

Last year we awarded 490 scholarships to students from over 80 countries.

www.ntu.ac.uk/internationalscholarships
Living and studying in Nottingham can be cheaper than it is in some of the bigger UK cities like London. There are many ways to save money while you’re here, for example using student discounts across the city.

Approximate costs of living in Nottingham per year

- Accommodation: £3,120 – £7,680
- Food shopping at supermarket: £2,080
- Student society membership: £4 – £15
- Gym membership: £80
- Books, study resources and printing: £100 – £150

www.ntu.ac.uk/international
Getting to know us

We have eight academic schools located over four campuses. As an international student, you’ll most probably be studying at our City, Clifton or Brackenhurst campus – it depends on your subject.

Each school has a friendly student community and you can find out more about them on pages 30-45. You can watch videos of all our campuses on our website.

City Campus

A cosmopolitan, bustling campus right in the city centre. Only five minutes’ walk to the shops and all the excitement of a busy student city. You’ll be studying here if you’re with one of these schools or centres:

- Nottingham Business School
- School of Art & Design
- School of Architecture, Design and the Built Environment
- Nottingham Law School
- School of Social Sciences
- Centre for Broadcasting & Journalism
- Nottingham Language Centre (pre-sessional English)

Join us for a virtual tour around the University - virtualtour.ntu.ac.uk

Clifton Campus

A friendly, vibrant student village with all the facilities you need in one place. Just six kilometres from the centre of Nottingham, with a bus service to the City Campus every 10 minutes. You’ll be studying here if you’re with one of these schools:

- School of Arts and Humanities
- School of Science and Technology
- Nottingham Institute of Education

Brackenhurst Campus

A beautiful campus in the countryside, about 40 minutes’ drive from Nottingham with a regular bus service. If you’re with the School of Animal, Rural and Environmental Sciences you’ll be studying here.
Facilities and resources

We’ve invested over £450 million in our facilities and campuses in the last 15 years and we continue to invest heavily. You’ll enjoy first-class learning and teaching facilities at NTU.

You’ll be studying with one of our academic schools with access to a huge range of facilities and resources for your specialist subject area. Here are just some of the other facilities you’ll enjoy.

Award-winning libraries
Access to over 650,000 electronic books and journals and approximately 300,000 printed books, open 24 – 7 during term-time.

Your Students’ Union
One of the best Students’ Union buildings in the UK – a 2,400-capacity entertainment venue with cafes, lounges, a dance floor, drinks and food.

Amazing sport facilities including 100-station gyms, fitness studios, outdoor sports pitches, an indoor tennis centre, sports therapy suite, sports halls, dance studio and a 30ft climbing wall.

IT facilities
Access loan laptops, group and individual study spaces, thousands of computers, 24-hour access, and specialist course-related software.

• Global Lounges for all international social events and activities.
• Prayer rooms and other faith facilities.
• Green spaces outside on our campuses.
• Dedicated music practice space for all abilities and musical interests.
Learning with the best

Experienced, expert teachers

You’ll enjoy the highest standards of teaching during your studies. Our lecturers have extensive experience in industry, research and the professions leading to national recognition that our teaching is of the highest quality in the UK.

You’ll learn so much about the theory and the practice of your subject. You’ll also benefit from inspirational guest lecturers and speakers who’ll bring your subject to life.

Whatever course you do you’ll find new, exciting ideas. And you’ll develop your confidence further by getting practical experience.

Did you know – we’re also a top 20 UK university in many subjects.

• **Top 5**
  - accounting and finance;
  - agriculture, forestry and food;
  - journalism;
  - publishing;
  - public relations.

• **Top 10**
  - fashion and textiles;
  - building, town and country planning;
  - economics;
  - psychology.

• **Top 20**
  - biosciences;
  - business management and marketing;
  - chemistry;
  - drama and dance;
  - design and crafts;
  - geography and environmental studies;
  - physics;
  - sports science.

You are valued

Our teachers really value international students like you, for the contributions you make, and for the challenges, fresh ideas and new perspectives you bring to our courses.
World-class research

We’re delivering ground-breaking research that has a direct impact on people’s lives, and if you’re planning to do research with us you’ll play a key part. Our work creates innovative solutions to global challenges ranging from cancer to climate change.

With 50 partner academic institutions across 40 countries, we achieve many of our breakthroughs through collaboration with other universities, industrial leaders and professional bodies worldwide.

We also command global respect for our research with 90% being classed as world-leading, internationally excellent or internationally recognised (Research Excellence Framework 2014).

Our research areas

- Health and Wellbeing
- Medical Technologies and Advanced Materials
- Safety and Security of Citizens and Society
- Sustainable Futures
- Global Heritage

Tackling issues that influence the real world, all of our research findings feed back into our courses. This means that your learning is informed by the latest thinking and discoveries.

www.ntu.ac.uk/research
School of Art & Design

City Campus

Join a community that is truly international, with staff and students working together to share knowledge, skills and culture.

You’ll have the opportunity to work on live projects, competitions and work placements, many with global organisations such as Apple, Paul Smith, Hallmark, John Lewis, Ted Baker, ASOS or L’Oreal.

You’ll have access to state-of-the-art facilities including:

• studios and workshops for art, design, fashion and photography
• electronic garment and knitwear technology
• digital textile printing and digital loom and embroidery equipment
• CAD systems
• image and sound editing studios.

Ming-Shan Wang, Taiwan
MA Graphic Design

“I think Nottingham is a great place to study, as the city isn’t too big or too small. You can find everything you need here. I have also learned how to push the boundaries of visual design, through trial and experimentation, and testing it on audiences. The course will definitely help me a lot in my future career.”

We’ve been teaching art and design since 1843 – now we’re one of the UK’s most established, well-known and respected creative universities.

www.ntu.ac.uk/art
School of Architecture, Design and the Built Environment
City Campus

Our industry-focused courses combine theory, expert insight and experience, as well as professional accreditation.

You’ll be learning from academics who are involved in world-leading research and connected with industry and professional bodies.

You’ll have access to state-of-the-art facilities and workshops, including:
• a model-making studio
• metal work and timber machining workshops
• structural testing areas
• extensive laboratories in concrete, materials, soils and hydraulics
• creative and virtual technologies laboratory (including visualisation technologies)
• BIM / 3D modelling / rendering software.

Fiorentina Poh, Malaysia
BA (Hons) Interior Architecture and Design

“NTU became my top choice when I found out that it offered so much employability support. Also, it is so diverse – there are so many international students here from different backgrounds.”

Professional accreditations

- The Royal Institute of British Architects (RIBA)
- Masters-level conversion courses.
- Work placements and live industry projects.

www.ntu.ac.uk/adbe
School of Animal, Rural and Environmental Sciences
Brackenhurst Campus

We’ve been offering specialist courses at our dedicated Brackenhurst Campus for more than 50 years. Our courses are practical and taught by our award-winning academic staff who are experts in their industry.

We’re located in a beautiful area of the countryside and we’ve invested over £20 million in state-of-the-art facilities and resources for our students. These include laboratories, an outdoor classroom, equestrian centre and a veterinary nursing centre.

• Top five in the UK for agriculture, forestry and food (The Guardian University Guide 2020)
• One of the leading centres in the UK for animal and environmental sciences.
• Stunning, idyllic campus.

Abubakr Al Bukhary, Sudan
MRes Global Food Security and Development

“The course tutors are very knowledgeable and push you to achieve your best. Their help doesn’t just stop at academic support; my course tutors also helped me with settling in as an international student.”

www.ntu.ac.uk/ares
School of Arts and Humanities
Clifton and City Campuses

We can offer you dynamic courses, expert teaching, international opportunities and hands-on workplace training on all of our courses.

Our journalism courses are highly regarded within the profession. With our industry-standard facilities and resources on offer, our multimillion-pound journalism facility is as close to the real thing as you can get.

You’ll be joining a truly diverse arts and humanities community here at NTU. You’ll also benefit from our outstanding humanities facilities including our dedicated Centre for Broadcasting & Journalism, open access media facilities, and innovative teaching spaces.

Thang Nguyen, Vietnam
MA English Language Teaching

“What I love most is how challenging it is, so in terms of career development, I think it's the best preparation for the future. Also, the staff have been more than excellent. Our lecturers are so knowledgeable that I’m just in awe of their expertise.”

- We have close links to local media organisations such as Notts TV and the Nottingham Post.
- Other partners include East Midlands Museum Service (EMMS) and GameCity.
- Work placements and live projects.

www.ntu.ac.uk/hum
Nottingham Business School

City Campus

We’re proud to be EQUIS and AACSB accredited – international benchmarks of excellence. We’re ranked among the top 95 European business schools by the Financial Times, and our Masters in Management programmes are in the top 95 globally.

Whatever course you study, we’re committed to providing you with practical experience of your subject and an international perspective. This could be through a work placement or live consultancy project, for example.

Thawdar Nway Oo, Myanmar
BA (Hons) Business Management and Human Resources

“Throughout my studies at NTU I had chance to meet many different people from different countries. It was a fun-filled experience to work with students from all over the world.”

Professional accreditations

- AASCB and EQUIS-accredited business school.
- Ranked among the top 95 European business schools by the Financial Times, and in the top 95 globally for our Masters in Management programme.
- Dedicated approach to personalised and experiential learning.
- Over 600 connections with businesses and industry.

www.ntu.ac.uk/nbs
Nottingham Law School  
City Campus

We have an outstanding and long-established reputation for delivering excellent, modern legal education. It’s been built through close relationships with legal and other professions, our strength in legal research and outstanding facilities.

Many of our staff are experienced lawyers, and some are still in practice. All our courses offer you fantastic opportunities. Work placements, voluntary work, an international summer school and an annual Law Recruitment Fair are just a few of these.

Our award-winning Legal Advice Centre gives our students the chance to work with qualified solicitors on real-life cases with members of the public.

Bianca Brasnoveanu, Italy  
LLB International Law

"The largest influencing factor that determined my decision to study here was the unique variety of third year options that distinguished NTU from other universities. I never doubted my choice to study at NTU, and I was right not to."

- We are proud of our reputation for excellence in the delivery of training for the Bar and our experienced teaching team that has delivered such training.
- Our world-class facilities include a suite of courtrooms and mooting rooms.
School of Science and Technology

Clifton Campus

We’re one of the UK’s most pioneering science and technology schools. We teach our courses in an inspiring environment, which is innovative in its design and relevant to industry.

The practical nature of our courses and their professional accreditation means that you are hands-on from the start, giving you the skills employers are looking for.

Professional accreditations include:

- RSC | Advancing the Chemical Sciences
- CIEEM | Chartered Institute of Ecology and Environmental Management
- The Chartered Society of Forensic Sciences
- IOP | Institute of Physics

- One of the best teaching and research laboratories in the UK.
- Work placements on our undergraduate and many of our postgraduate courses.
- Access to research-grade telescope / observatory.

Krsna Das Thoondee, Mauritius
MSc Interactive Media Engineering

“Studying at NTU was the best thing for me as the lecturers were very helpful and provided constant support. After my thesis, my lecturer encouraged me to write a conference paper which was then accepted by the Computing Conference 2017 for publication.”

www.ntu.ac.uk/sat
School of Social Sciences, including the Nottingham Institute of Education
City and Clifton Campuses
We’ll enable you to advance your career in an environment that fosters ambition, progress, innovation and leadership.

We have a large Psychology Department with over 90 academics, and some of our courses are accredited by the British Psychological Society (BPS).

Kamakshi Marwah, India
MSc Applied Child Psychology
“NTU has a prestigious reputation and offered many postgraduate courses in my area of interest. Postgraduate study has given a new dimension to my career plans. I have discovered new career opportunities where I can work and give back to society.”

• Courses designed with professionals, and private and public organisations.
• Many of our courses are accredited, validated or recognised by their associated professional body.

School of Social Sciences and Nottingham Institute of Education
We take pride in our high-quality courses that are intellectually stimulating and relate directly to the needs of communities, society and professional practice. You’ll be taught by enthusiastic and knowledgeable staff who draw upon established expertise, research interests and professional experience.

www.ntu.ac.uk/s3
Explore Nottingham

Nottingham’s a great city to be a student. There are over 60,000 students living here from all over the world. Over 25,000 of these are studying at NTU!

Students are attracted to Nottingham for a variety of reasons. The cost of living is very reasonable and it’s a friendly and welcoming place.

Another great feature of Nottingham is that everything’s really close. Unlike in bigger cities like London, for example, you can easily walk from NTU’s City Campus to the shops and attractions in just a few minutes. And the regular buses and trams mean you can quickly reach other parts of Nottingham too.

Other reasons include:
• great shopping
• world-famous sporting venues such as Trent Bridge Cricket Ground
• easy access to beautiful, green countryside
• great range of restaurants and supermarkets / specialist shops with food from all over the world.
Your home away from home

Being happy where you’re living is such an important part of your student experience. That’s why we have a fantastic choice of accommodation available for you. It’s important to start your research early – everything’s on our website so that’s a great place to start.

University or private accommodation?

We offer a huge range of both University and private accommodation to suit every budget. University accommodation starts at approximately £95 per week and goes up to approximately £179 per week.

All our accommodation is high quality, modern, and meets high safety standards.

While deciding what sort of accommodation you want, you may want to consider:

- sharing an apartment or a house with other students
- having an en-suite bathroom or shared facilities
- living with a local family in Nottingham (called ‘homestay’)
- cost and whether utility bills (electricity, gas) are included
- the length of the contract (University contracts include the Christmas and Easter holidays).

Our Accommodation team is experienced in helping international students to find the right place. If you need support we’ll be happy to help.

www.ntu.ac.uk/accommodation
Contact us
