GCSE Equivalent Qualifications for PGCE Level 6 Teaching Apprenticeship

GCSEs are part of the entry requirements for the **PGCE Level 6 Teaching Apprenticeship**. Due to the specific criteria set for gaining Qualified Teacher Status (QTS), we are unable to accept all alternative qualifications generally considered equivalent to GCSEs. Below are details of what we can and cannot accept as alternatives.

Please note: the requirements differ for Primary and Secondary Teacher Training courses, so please contact us if you are unsure as to what qualifications will meet the entry requirements for your chosen course.
