# SUBMISSIONS OF WORK

WORK BY LAUREN ANDERSON

## BA (HONS) FASHION DESIGN

Your submission is an opportunity for you to showcase your work.

We would like to see 12 examples of your practical work and a piece of written work. These should be submitted as two separate files.

### FILE 1 – practical work

You should include a variety of work such as:

- observational drawing and personal ideas;
- use of colour and media;
- creative research and development;
- translation from 2D sketches to 3D products;
- finished project work, 2D and 3D.

Please submit your practical work only in a [Microsoft PowerPoint](#) presentation, not in a zip file. It should be:

- no more than 20 slides (this will allow you to include more than one image of each piece of work, if required, plus short descriptions);

Where images are inserted into a presentation they must be:

- in JPEG format;
- a maximum of 72 dpi (dots per inch).

Please note that any other format will not be considered.

### FILE 2 – written work

- UK / EU applicants

Please supply a short written summary (500 words maximum) of the work you are submitting (this can include project briefs if available).

- International applicants

Please submit a piece of written work (from your current / previous course) to show the Admissions Tutors how you express yourself in English (approximately 500 words in length). Please save your written work as a Microsoft Word file.

This information is for those applying to join this course in September 2016.

This information is correct at the time of printing. Nottingham Trent University reserves the right to change this information without prior notice or justification.

### What we are looking for in your work submission

- Good presentation and the ability to visualise ideas;
- a quality and range of visual concepts, and level of innovative thinking;
- your ability to handle a variety of technologies, materials and processes;
- your willingness to experiment in a range of visual media;
- good observational skills in drawing.

## WHAT WILL HAPPEN NEXT?

When we receive your submission of work it will be reviewed by the course Admissions Tutor. Once a decision has been made on your application you will receive a notification through UCAS Track or an interview invitation from the University (if applicable).

It is essential that you submit your work by the given deadline, as unfortunately after this date we will be unable to consider your application and an unsuccessful decision will be communicated to UCAS.

If however, you are unable to meet the deadline date but still wish to submit work for consideration, then please contact the Admissions Office on **+44 (0)115 848 4200**.

An electronic copy of work submissions will be retained by NTU for the duration of the annual application cycle, but will not be held on file for longer than this. Please therefore ensure that all files sent to us are copies.

NTU will not use any work submitted for any purposes other than the student application process.
