Please read the following declaration carefully before signing below.

I accept that I am responsible for ensuring that the fees and other expenses related to my studies are paid or that an arrangement to pay has been made at the beginning of each academic year, either directly or on my behalf by a third party.

I acknowledge that I am bound by the University's rules and regulations, including but not limited to the student code of behaviour, the computer user guidelines and the University's intellectual property policy.

These may also include all codes, rules and regulations of any other organisation or institution, attendance at which forms an integral part of my studies.

Information supplied on this form will be used by Nottingham Trent University in accordance with the General Data Protection (GDPR) (EU) 2016/679 and other applicable legislation protect any personal data we collect from you. We will use your information in the following purposes:

- To provide you with information on products or services that you may request from us, or which we feel may be of interest to you, and where you have given consent for us to contact you for such purposes.
- To carry out our contractual obligations with you which will include the operation and delivery of any services you have requested, deal with requests and enquiries.
- Where it is necessary to comply with a legal obligation.
- To provide management statistics through research using applicant data which may be used by NTU to enhance the applicant and student experience.
- Where you have agreed for the purpose of consulting, informing and gauging your opinion about our products and services, for example; surveys.
- To ensure we meet our statutory obligations, including those related to diversity and equal opportunity.
- To communicate with you, and notify you about changes to our services.
- Necessity to perform tasks carried out in the public interest and otherwise to pursue our legitimate interests – this includes use of your personal information to improve the services we offer as a higher education corporation.

Marketing Purposes:

- Progressive profiling – we may use your personal information to better personalise communications to you.
- Analysing web behaviour – we may use your personal information to recognise web visitors on and off our Digital Services to improve experiences, analyse marketing activities, understand audiences, and personalise content for our Digital Services, applications and advertising.
- Targeting advertising – using data collected automatically on and off our Digital Services to target and tailor advertising and analyse marketing activities (e.g. retargeting users from an NTU website, or using anonymous data segments created by trusted partners who may collect your data).
- Internal data matching – to enable us to merge certain types of data collected by NTU to identify known and unknown users and map interactions with NTU’s Digital Services to CRM platforms and applications, for purposes of personalising content, understanding audiences, analysing marketing performance and targeting advertising.
- External data matching – to match customer lists with online platforms (e.g. through applications such as Facebook Custom Audiences and Google Customer Match) to target and tailor advertising, understand audience and analyse marketing activities.
