

## **NTU at 42 Shakespeare Street**

### Notification of forthcoming planning application 42 Shakespeare Street

Dear Neighbour,

Nottingham Trent University is planning to build a modern and bespoke Art and Design building at 42 Shakespeare Street to enhance our city campus.

As one of our neighbours we're keen to hear your views before our formal application is submitted.

We have worked with award winning architects Hawkins\Brown to provide a high quality, expressive design that will support the growing requirements of Art and Design school. Our new building will have exemplar carbon credentials and respect neighbouring heritage buildings.

Usually the University would host a series of small public consultation events to allow you to see our plans and discuss them with our team. However, due to the unusual year we find ourselves in, we have instead set up a website to show you our vision and to gather your views before we proceed.

Our online consultation is open for comments until Thursday 18 March 2021, you can visit it at:  
[www.ntu.ac.uk/42shakespearestreet](http://www.ntu.ac.uk/42shakespearestreet)

If our application is successful we hope to start work this summer.

Thanks in advance for your support, we look forward to hearing what you think.

**Trevor Wills**  
Director of Estates,  
Nottingham Trent University
