WHAT WILL HAPPEN NEXT?

When we receive your submission of work it will be reviewed by the course admissions tutor. Once a decision has been made on your application you will receive a notification through UCAS Track or an interview invitation from the University (if applicable).

It is essential that you submit your work by the given deadline, as unfortunately after this date we will be unable to consider your application and an unsuccessful decision will be communicated to UCAS.

If however, you are unable to meet the deadline date but still wish to submit work for consideration, then please contact the Admissions Office on +44 (0)115 848 4200.

An electronic copy of work submissions will be retained by NTU for the duration of the annual application cycle, but will not be held on file for longer than this. Please therefore ensure that all files sent to us are copies.

NTU will not use any work submitted for any purposes other than the student application process.
