“I found my placement through NTU’s employability team and I’m working for the same company now. The advice I got was invaluable. It helped with the application process and made me more assured.”

Yohann Advikolanu, India

Every course has opportunities to gain practical skills and experience. Our careers advice continues after you graduate.

“It’s easy to think things are above you, isn’t it? I almost didn’t apply for a scholarship and I’m so glad I did. It’s opened up so many opportunities. Just do it – and good luck!”

Claudia Agyemang-Yeboah, Ghana

590 students from 85 countries were awarded an NTU Scholarship in 2020.

“You’re taught to be more independent, creative and critical. The lecturers are so engaging here. They’ve opened my mind to new ways of thinking and they challenge me – which I like!”

Momen Abusara, Jordan

Learn with TEF Gold rated lecturers; expert and experienced.
