# Start your enrolment online

Enrolment is where you officially register as a student with us. Most stages of the enrolment process can be completed online and the final stages take place once you arrive on campus.

Please ensure that you complete your online enrolment before you arrive.

## Why should you enrol?

You need to enrol with us for a number of reasons:

- it releases your funding – once you've finished enrolment in-person when you arrive;
- it may make you eligible for council tax exemption (full-time, fully enrolled students only);
- it allows you access to NOW which holds your timetable and module information; and
- it allows you access to University buildings and your student email.

If your course requires you to complete a Disclosure and Barring Service (or other fit to practise) check, you must complete this prior to enrolment. If you haven't done so, you won't be able to fully enrol on your course. Visit [www.ntu.ac.uk/dbs](http://www.ntu.ac.uk/dbs) to check if this applies to you.

If you're experiencing any issues with your DBS check, call our Admissions team on **+44 (0)115 848 4200**.

## How to enrol

### 1. Find your NTU ID

You'll find your NTU ID number on the confirmation email you'll have received when your place at NTU was confirmed. This is your student ID number (e.g. N0123456).

### 2. Get your password and complete your online enrolment

Visit [www.ntu.ac.uk/enrolment](http://www.ntu.ac.uk/enrolment) and follow the get or reset your password link to retrieve your password. Use this password to log into online enrolment along with your NTU ID number.

If you cannot find your NTU ID or have any problems with online enrolment, contact MyNTU Support on **+44 (0)115 848 2855** (9 am – 4.30 pm weekdays).

# Sort out your finance

You'll need to research funding opportunities and make arrangements to pay your fees before you arrive at the University.

## Paying your tuition fees

You can pay your fees in one go or arrange to pay in instalments using our online payment system. Visit [www.ntu.ac.uk/onlinepayment](http://www.ntu.ac.uk/onlinepayment) for more information.

If you haven't set-up a payment arrangement before your course starts, you'll only receive temporary enrolment status and will be given notice to arrange your payment.

## Funding your studies

There are a number of funding opportunities available to postgraduate students. These include a new postgraduate loan scheme, Professional and Career Development Loans, University Scholarships and funding from public bodies.

Visit [www.ntu.ac.uk/pgadvice](http://www.ntu.ac.uk/pgadvice) for further information.

## Postgraduate loans

The government has introduced a new postgraduate loan scheme for the 2016/17 academic year for Masters degrees. The loan of up to £10,000 is paid directly to you and can be used to contribute towards fees, maintenance costs or other expenses.

Visit [www.ntu.ac.uk/pgloans](http://www.ntu.ac.uk/pgloans) for more information on eligibility.

Once your application for the postgraduate loan has been approved by Student Finance England, the loan will be released to you once you have completed your enrolment and collected your student card.

Visit [www.ntu.ac.uk/pgadvice](http://www.ntu.ac.uk/pgadvice) for ideas about where to look for other sources of funding and top tips on making a funding application.

# Your course induction

Your induction is your opportunity to meet tutors and fellow students and get a flavour of your course and how you'll be taught.

Get ready to start your course in three simple steps:

## 1. Get your induction timetable

Download your induction timetable and plan your other activities around it. It's crucial that you attend all of your course induction activities, so make sure that you know where you need to be and when.

Visit [www.ntu.ac.uk/induction](http://www.ntu.ac.uk/induction) to find out what your course induction includes.

## 2. Complete any pre-arrival tasks

Some courses give you a task to complete before you arrive at NTU.

Go to [www.ntu.ac.uk/induction](http://www.ntu.ac.uk/induction) to find details of your pre-arrival tasks.

## 3. Your course timetable

Your full course timetable will be available on NOW once you arrive and complete your enrolment.
