

## Microsoft Embrace Mentoring Programme

Equip yourself with valuable career guidance and skills that will aid you to better navigate the corporate world.

### What is the Microsoft Embrace ERG Mentoring Programme

Microsoft is launching an initiative to increase awareness of opportunities, improve readiness when applying for opportunities, and to inspire students to believe they can change the world through technology. Microsoft in collaboration with EDI are launching the Embrace Mentoring Programme on 21st October 2021.

#### Commitment

**Launch Date:** Wed 21st October 2021 13.00 -13.45pm

**Location:** Virtual

**Commitment:** 9 months

**Mentor:** Microsoft

#### Who should apply?

**Target Audience:** Students from a Black, Asian and Ethnic Minority background

**Year of study:** Undergraduates any year of study

**Education:** Any Discipline

#### How will the mentoring work?

Students will be assigned a mentor based on your career interests or areas for development. You will meet with your mentor once a month and attend 9 monthly workshops. Students last year found the program hugely rewarding and it helped nurture and develop key skills and a foundation for your future career.

#### Below are a sample of the proposed sessions for this years' programme:

- 2 sessions on Personal Development Plan
- Power of Vulnerability
- How to setup your own business
- CV Stand Out
- LinkedIn (personal brand)
- Mental Health and Wellbeing in Education/Support
- Recruiter talks on early in career opportunities at Microsoft
- A monthly connect with your mentor

#### How to apply

Deadline to Apply: Wednesday 13th October
