English Language and Culture - 10cps

Content

This course is for students who'd like to improve their English Language skills whilst learning about the culture & people of the UK.

It includes classroom-based English studies and plenty of time exploring the city, experiencing the culture, and applying your new English skills! Visits to attractions, museums and galleries are included.

You'll also take part in interactive workshops, and work on a group project with your fellow students. The project will be related to the culture, history, and heritage of Nottingham or the UK.

During the course you will:

- Complete engaging exercises set by an expert tutor
- Expand your knowledge of vocabulary and grammar
- Research a group project on a subject of special interest to you
- Be exposed to UK culture and regional accents
- Develop your formal and informal English language speaking skills
- Explore Nottingham and the local culture
- Build your confidence in English writing
- Present your project to fellow students.

Teaching methods: lectures, project briefings, verbal and visual presentations, and off-campus trips.

Halliqe - My English has improved. My vision is high. I see a different culture, different people, different spiritual world. I am very happy!
