INDUSTRIES.

#### ARKWRIGHT BUILDING

### BArch (HONS) ARCHITECTURE

Notions of Freespace: Invited by the 2018 Architectural Biennale to question our understanding of 'Freespace', this exhibition explores civic architecture and its relationship to the city of Venice, in a postmodern context.

(O) @ntubarch

## BA (HONS) INTERIOR ARCHITECTURE + DESIGN

**Small is Beautiful:** Showcasing how students can evolve, craft and define a project that is spatial, architectural and design-led, with a focus on the detail of a distinct space.

(C) @made\_at\_trent

#### MArch Architecture

The Age of Infrastructure [L'età Delle Infrastrutture]: This exhibition explores how architecture and infrastructure reshape our cities and transform the environments we live in.

## MA INTERIOR ARCHITECTURE + DESIGN

Students visited Wollaton Park to take inspiration and create a building / space for religious ceremonies, as well as a meeting space for visitors.

### BA (HONS) GRAPHIC DESIGN

NTU Outline: Thinking outside the box for every project. Join Graphic Design as they outline their creative journey.
www.ntuoutline.co.uk

(C) @ntu.outline

#### BA (HONS) Photography

**GEN23:** 72 photography students engage in the explorative, creative, self-reflective representation of current issues around relationships, race, politics, and the environment. GEN23 spans 11 venues in Nottingham. **www.gen23.co.uk** 

(C) @gen23\_ntu

## BARNES WALLIS BUILDING

## BA (HONS) FASHION COMMUNICATION + PROMOTION

**Play:** FCP students design, collaborate and bring to life visually stimulating and timely concepts. It's their sense of play that brings their community together.

(c) @fcp\_play

#### BA (HONS) FASHION MANAGEMENT

Behind the Clothes: Providing an insight into Fashion Management and demonstrating how they intend to shape the future of fashion retail. www.fmbehindtheclothes.com

(C) @fm\_behindtheclothes

## BA (HONS) FASHION MARKETING + BRANDING

**FMBxOriginate:** Exploring important societal issues that are impacting our future in ways we cannot predict, but can try to influence. Uncovering global phenomena such as sustainability and digital influences.

(C) @fmb\_x\_originate

## BA (HONS) INTERNATIONAL FASHION BUSINESS

**Prism:** A collection of diverse creatives exploring their take on current fashion topics using international business strategies to make their mark on the creative industry.

(C) @ifb1819

#### BONINGTON BUILDING

#### BA (HONS) Fine art

Scripted, depicted, rejected and completed. From start to finish and stops in-between, a window into time spent and goals reached, or yet to be.

© @ntufineart2019

### BA (HONS) TEXTILE DESIGN

Vision 19: A diverse, multidisciplinary textile design show specialising in print, knit, embroidery and weave. Demonstrating creative talent through an array of personal interpretations

(O) @ntutextiledesign

#### NEWTON BUILDING

#### BA (HONS) Animation

Animators of Waverley Place: Presenting the collective works of 25 animators, showcasing a variety of two and three dimensional films.

(c) @ntuanimation

### BSC (HONS) ARCHITECTURAL TECHNOLOGY

**AT 2019:** Showcasing the range of development and understanding of student-designed briefs across the RIBA Stages 0-4.

(C) @at\_ntu\_19

### BA (HONS) COSTUME DESIGN + MAKING

Exploring different design, construction and textiles possibilities within a range of performance areas, students create pieces of wearable art to tell a story.

(C) @ntucostumedegreeshow2019

### BA (HONS) DECORATIVE ARTS

**MMXIX:** Creative hand and digital making skills using a wide range of materials. The work is sometimes functional, sometimes conceptual and always beautiful.

© @decarts\_mmxix

### BA (HONS) FASHION ACCESSORY DESIGN

A showcase of luxury fashion products including bags, luggage and wearable pieces constructed from a variety of materials.

### BA (HONS) FASHION DESIGN

A showcase of industry focused fashion product ranges. This static show was accompanied by catwalk shows in May.

(O) @NTUFashion

## BA (HONS) FASHION KNITWEAR DESIGN + KNITTED TEXTILES

Showcasing intricate detail in knit structures and fabric finishes, students develop and communicate their ideas in the realisation of fabrics, products and garments.

(G) @fashionknitweardesignntu

#### BA (HONS) FURNITURE + PRODUCT DESIGN

Inspired by craft, user interaction and material experimentation, this exhibition features furniture, interiors, lighting and homoward

### BA (HONS) PRODUCT DESIGN

Innovative design with the user in mind, showcasing sustainable products, sports and healthcare equipment, packaging solutions, electronic gadgets and consumer goods.

### BSc (HONS) PRODUCT DESIGN

Showcasing prototypes designed for the medical, transport, and manufacturing industries

All Product Design courses: www.ntudesignindustries.com

### MA DESIGN: PRODUCTS + FURNITURE

#### MSc DESIGN: PRODUCTS + TECHNOLOGY

Postgraduate NTU Product Design students share their experiences and showcase outcomes of the interdisciplinary design projects made with industry.

#### WAVERLEY BUILDING

## BA (HONS) DESIGN FOR FILM + TELEVISION

In preparation for a future career in film and TV, each student has created projects by adapting stories for the screen.

(O) @dftv19

### BA (HONS) THEATRE DESIGN

From the Ground Up: A collection of innovative work exploring the future of scenic and costume design. Featuring a series of individual and collaborative work, showcasing each student's skills and interests.
