The table indicates the CEFR levels taught at various ULP stages. Completing a single stage does not necessarily mean that a specific CEFR level has been achieved. Please note that some CEFR levels require the study of more than one stage, for example CEFR level A1, for which you have to complete Stages 1 and 2 successfully. The UNILANG Certificate can only be issued to students who complete the relevant level with a high grade. For more information, please contact the course leadership team via email ulp@ntu.ac.uk.

In order to work towards UNILANG recognition, students are expected to engage actively with their language study beyond contact time, e.g. by working independently and making full use of the learning offer on the VLE.
