WELCOME TO

NOTTINGHAM TRENT UNIVERSITY

Our students voted us the UK's 'University of the Year'. Why?

There are loads of reasons. Maybe it's because at NTU, you're more than just a face in the crowd. You're a priority. You can be you, whoever 'you' are — and you'll be celebrated for that from your first day on campus.

Maybe it's because you get to customise your course here. We don't think a degree should be a set menu; it should be about options, opportunities, and choice. It's your journey, after all. That's why we've been rated GOLD for teaching (Teaching Excellence Framework 2023).

Maybe it's because we've filled our teaching staff with people who know your dream career inside and out — people who've lived the life themselves and can't wait to hand over the keys.

Maybe it's because we're the UK's greenest university, and the second greenest internationally. Or because we've helped turn Nottingham into one of the UK's top student cities.

Maybe it's because we're principled, like when we became the first university to sign the Social Mobility Pledge. Fifty others followed, but we were the first. We've changed a lot of lives here.

Whatever the reason, the headline is this: students love us. They trust us. And that's because we don't just say things — we prove them. We prove them in the scope of our personalised, tailor-made support services, the quality of our academic and extracurricular opportunities, and our day-to-day commitment to ensuring that each one of our students is enjoying the best possible uni experience, both in and outside of the classroom — whatever their interests, ambitions, and tastes. These are the things we care most about, and our awards, accolades, stats, stories, and worldwide reputation confirm that we're doing them well.

WHY CHOOSE NTU?

We haven't won five 'University of the Year' titles in six years by accident. Throw in the other national accolades — two Queen's Anniversary Prizes for excellence in research; 2022's 'Best UK University for Student Life' award — and it's proof that we deliver daily on the things we care most about: pushing boundaries, transforming lives, and doing the right things.

Live and learn in one of the UK's top ten student cities. Get ahead with hands-on industry experience as standard. Enjoy award-winning student support. Find your tribe from over 100 student-run clubs and societies. Study abroad with one of our 300 international partners. Fling yourself into something new, find friends in every corner of the globe, and make memories to last a lifetime.

Our personal advice and strong focus on employability will get you ready to develop your career. We'll even support you after your studies for up to three years and offer you a paid internship opportunity if you're not in employment or further study 12 months after graduating.

Stay up to date with everything NTU

GOLD-RATED UNIVERSITY FOR TEACHING

TYPICALLY, THE EXPERIENCE STUDENTS HAVE AT NOTTINGHAM TRENT UNIVERSITY, AND THE OUTCOMES IT LEADS TO, ARE OUTSTANDING.

These aren't our words; they're the words of the 2023 Teaching Excellence Framework. Run by the national Office for Students, this independent scheme measures the standards of teaching and learning across British universities — and their 'Gold' rating is as good as it gets.

We're feeling proud because this rating reflects the things we care most about. A place where your learning and growth is our top priority; where the groundbreaking work of our researchers is embedded in your own studies, so that Monday's proposal paper can be Friday's lecture; and where you'll be constantly supported, challenged, inspired, and professionally prepared.

We've got the golden touch

The TEF 'Gold' rating is just the latest in a long line of accolades, including five separate 'University of the Year' titles from 2017-2023 — some from publications like the Guardian, Times, and Sunday Times, and others voted for exclusively by students like you.

While there's much more to life than awards, we think they're a welcome acknowledgement of our day-to-day mission to be brave, do the right things, and change lives.

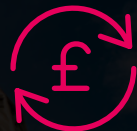

These 'gold' ratings, awards, and accolades prove it. Come along to one of our open days and see for yourself what makes NTU such a special and life-changing experience. Book a place at ntu.ac.uk/opendays

**Pink by name,
gold by nature**

To find out more about our TEF 'Gold' rating, visit: ntu.ac.uk/tef

Arkwright building, City Campus

WE'VE INVESTED OVER **£450 MILLION** ACROSS OUR CAMPUS FACILITIES, BUILDINGS, AND GROUNDS, WHICH PROVES OUR COMMITMENT TO PROVIDING A STUDENT EXPERIENCE LIKE NO OTHER.

OUR CAMPUSES

Six locations. One home.

From the rolling fields of our Brackenhurst Campus nestled in the Nottinghamshire countryside, to the hustle and bustle of our city centre site where culture and nightlife are right on your doorstep, all our campuses have their own sense of character.

If a career in the creative industries is your goal, our Confetti hubs might be the key that unlocks the door, while NTU in Mansfield offers the very latest and best in vocational training for a huge range of pathways. For anyone with a love

of sport or craving a real university campus experience, Clifton could be perfect. But the best part is that all of our campuses have been designed with students just like you in mind.

So whatever course you choose and wherever you'll be based, at NTU you'll be part of a campus and a university where community comes first — a place where you'll be living and studying alongside everything you could ever need, and where you'll constantly be making new friends and trying new things.

Explore our locations

Check out our campuses at: ntu.ac.uk/campuses

Newton building, City Campus

CITY CAMPUS

Nottingham city centre

ntu.ac.uk/city-campus

Home to six of our Academic Schools — Arts and Humanities, Law, Business, Social Sciences, Art & Design, and Architecture, Design and the Built Environment — life on this campus is vibrant, versatile, and always exciting. But as if that's not enough, you've also got the beating heart of Nottingham right around the corner! That's a big part of what makes the City Campus so special: when your lectures are over, all the sights and sounds of the city are waiting for you. It's a diverse and dynamic environment that brims with opportunities during the day, and then truly comes alive at night.

Pavilion building, Clifton Campus

CLIFTON CAMPUS

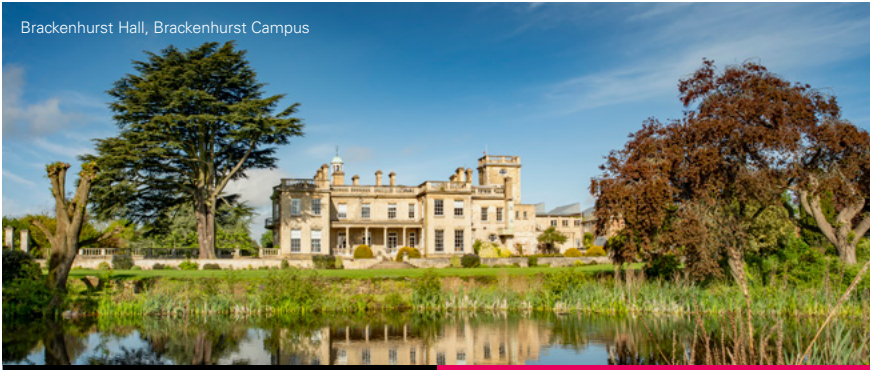

4 miles (or a short bus or bike ride) from Nottingham city centre

ntu.ac.uk/clifton-campus

At Clifton, you'll have that classic, self-contained campus experience, with everything right on your doorstep. It's home to courses across three Academic Schools - Arts and Humanities, Social Sciences, and Science and Technology. It's a place where comfy, convenient accommodation sits shoulder to shoulder with fantastic facilities (things like specialist labs, an on-site observatory, the crime scene training facility, and the Clifton Sports Hub - home of sport at NTU), as well as lush green spaces, a well-stocked library, and lots of cafes, bars, and shops. But what really makes Clifton Campus tick is its thriving and supportive community that welcomes new faces every year.

Brackenhurst Hall, Brackenhurst Campus

BRACKENHURST CAMPUS

📍 14 miles (or a 45-minute bus ride)
from Nottingham city centre

ntu.ac.uk/brackenhurst-campus

This picturesque rural campus — home to our School of Animal, Rural and Environmental Sciences — is located next to the beautiful market town of Southwell. As a working farm and estate, it's the ultimate outdoor classroom: 500 acres of woodlands, wetlands, and countryside, and home to countless different species of animals and insects. You'll be learning alongside industry experts and getting hands-on in facilities like our equestrian centre, veterinary nursing and animal units, farm, and laboratories — plus much, much more!

University Centre, Mansfield Hub

MANSFIELD HUB

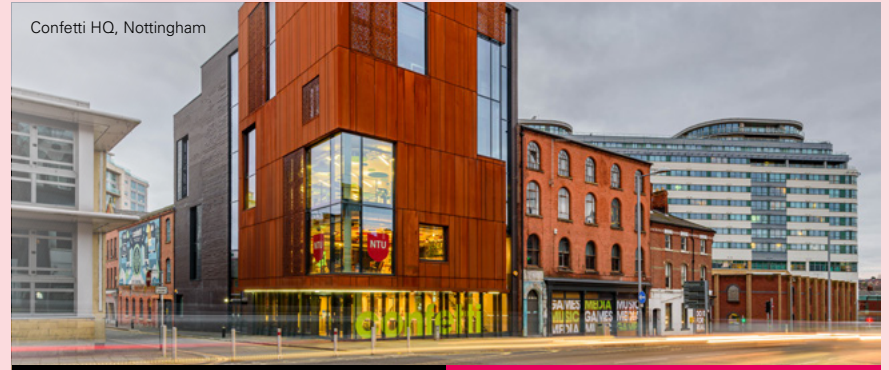

📍 14 miles (or a 30-minute bus ride)
from Nottingham city centre

ntu.ac.uk/mansfieldhub

Located just north of Nottingham on the outskirts of Mansfield town, and based around the stylish University Centre, our Mansfield Hub specialises in alternative routes into higher education. In this modern and well-equipped facility, we deliver a suite of courses that span higher national qualifications, and both foundation and bachelor degrees — all structured to allow you to balance your studying and personal commitments. Plus, you'll also have access to all the opportunities, expertise and benefits that NTU offers across our other campuses.

Confetti HQ, Nottingham

CONFETTI NOTTINGHAM

📍 Nottingham city centre's Creative Quarter,
just a short walk from the City Campus

ntu.ac.uk/confetti-nottingham

From music performance and event management to esports and virtual production, Confetti are pioneers of education in the entertainment sector, and they have a well-earned reputation as a centre of excellence throughout the digital and creative industries. As a partner of NTU, Confetti's motto is 'do it for real' — studying here is all about learning in world-class facilities alongside expert teaching and technical teams, and benefiting from the incredible professional connections and insights that'll launch your creative career.

CONFETTI LONDON

📍 In London's historic Whitechapel district

ntu.ac.uk/confetti-london

The newest addition to the NTU family, Confetti London opened in September 2023 and has been designed and built from the ground up to deliver world-class learning in music business, performance and production, events management, the moving image, and esports. You'll be studying in East London's Whitechapel, just a short hop from iconic hotspots like Brick Lane, Spitalfields Market, the Old Truman Brewery, the Tower of London, Tower Bridge, and the Gherkin.

NOTTINGHAM: OUR CITY

Brimming with culture, buzzing with entertainment, and steeped in history — Nottingham is a diverse city stuffed full of secrets, with over 60,000 students at its heart.

Spend your days browsing independent businesses, lounging in beautiful green spaces, and exploring the historical castle and caves; spend your nights checking out foodie hotspots, bar-hopping, and soaking up the vibrant arts and music scene. We've got the variety, opportunities and thrills of a sprawling metropolis — all hosted within a compact, walkable city centre.

Nottingham is a cultural hub. It's home to four major sports stadiums; museums, theatres and galleries to suit every taste; and countless music and events venues, ranging from intimate indie stages to the headline-grabbing acts at the Motorpoint Arena.

Nottingham has a spirit like no other. We pride ourselves on our independence, our diversity, and our creativity. Over 300,000 people from all walks of life call this place home, and now we're inviting you to do the same.

EVERY EXPERIENCE IS ON YOUR DOORSTEP, BUT IF YOU DO NEED TO VENTURE FURTHER AFIELD, THE CITY'S CENTRAL LOCATION AND EXCELLENT TRANSPORT LINKS WILL GET YOU THERE — SO HOME IS NEVER TOO FAR AWAY.

Take a deeper dive into Notts

Check out the very best our city has to offer at: ntu.ac.uk/nottingham

There's a lot to love about Nottingham

ONE OF THE UK'S TOP SIX STUDENT CITIES...

... ranking ahead of destinations like Sheffield, Liverpool, and Leeds in the 2023 QS Student Cities Index

13 CONSECUTIVE 'PURPLE FLAG' AWARDS...

... recognising Nottingham's diversity, entertainment value, and safety

THERE'S SOMETHING FOR EVERYONE...

... welcoming lovers of music, sport, the arts, nightlife, shopping, history, and everything in between

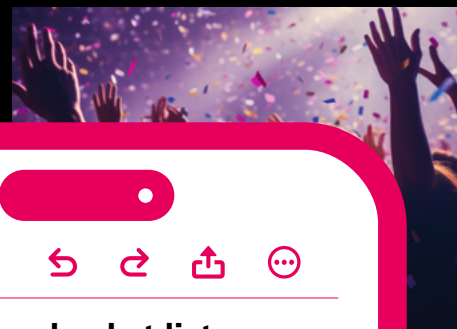

A CITY THAT CARES ABOUT SUSTAINABILITY...

... and is on track to reach Net Zero as early as 2028

Cobden Chambers, Nottingham

Lace Market, Nottingham

LIFE IN NOTTINGHAM

From rent and food to textbooks and laptops, being a student can get expensive. The good news is, living in Nottingham is easy on your bank account: we've consistently been named one of the UK's most affordable student cities, and it's easy to see why.

Here, your student status is your VIP pass. There's always an enticing discount or deal around the corner — from students-only shopping nights and cheap bus travel, to discounted event tickets and happy hours at your new local.

When it comes to shopping you're spoiled for choice, with countless charity shops and vintage stores stocking stylish and sustainable bargains. And when you fancy a break, our huge range of independent restaurants and bars (alongside all the usual chains) are perfect for a treat on a budget, or a cheap night out.

Looking after your money is a huge part of uni life, and we'll help make budget management as easy as possible during your time at NTU. That's why we offer free, specialised financial and employability support for all our students, as well as a range of bursaries and scholarships.

There's more to uni than lectures!

Get a picture of what your new life could look like at: ntu.ac.uk/studentlife

< Notes

Your first-year bucket list

- Enjoy a gig at Rock City
- Catch a Forest, Notts Outlaws, or Panthers game
- Find a hidden cocktail bar (hint: Lost Property, Coco Tang, The Hockley Arts Club...)
- See a show at the Playhouse, or a film at Broadway — voted one of the world's top 100 indie cinemas
- Grab a gourmet treat from Doughnotts
- Explore Nottingham Castle and the caves
- See the city lit up from the big wheel at Goose Fair
- Scope out every White Rose on a charity shop crawl
- Ice skate at the Winter Wonderland
- Have a pint in England's oldest pub

Commuting to NTU

If you're relatively local to NTU, commuting can be a great way to keep your costs down and balance study with other commitments at home. When you're on campus, you'll have everything you need at your fingertips — from food outlets and social spaces to secure, free-to-use storage for baggage and bikes. You'll have all the same opportunities to socialise, build connections, and see for yourself what makes NTU so special.

Find out more at: ntu.ac.uk/commuter

Guaranteed accommodation

We guarantee accommodation for first-year full-time undergraduate students in Nottingham. Your offer may include NTU-owned, partner and private accommodation. (T&Cs apply).

YOUR NEW HOME: ACCOMMODATION AT NTU

If you choose to live at university, it'll become your home away from home – so it's important that you feel comfortable, safe, and happy in your accommodation.

Moving to university can be daunting; it might be your first time living independently, and your first experience of living in a new city. It's our goal to make your transition into uni life as smooth as possible, so that you can enjoy the freedom that comes with it, and feel at home in our community. Therefore, when staying in NTU accommodation, you can count on:

-  **Safety and security**
-  **A choice of en suite or shared facilities**
-  **Great locations on or near campus**
-  **Your utility bills and Wi-Fi included in your rent**
-  **Friendly Welcome reps who'll be on hand to help you settle in.**

Whether you're looking for a cosy studio to make your own, or a homely shared flat for bonding with new friends, we've got a mix of NTU-owned, partner, and private accommodation options to suit every budget.

Byron Residence, City Campus

Find your perfect place

Check out all our accommodation options at: ntu.ac.uk/accommodation

WHATEVER YOU NEED, WE'RE HERE TO LISTEN AND HELP, PROTECTING YOUR PHYSICAL, EMOTIONAL, SPIRITUAL, FINANCIAL, AND ACADEMIC WELFARE.

SUPPORT YOU CAN COUNT ON

University is an exciting, life-changing journey — but one that also comes with the challenges of independent living and being your own boss. It's not unusual to encounter a few bumps along the road, and if any issues arise, our award-winning support services have got your back.

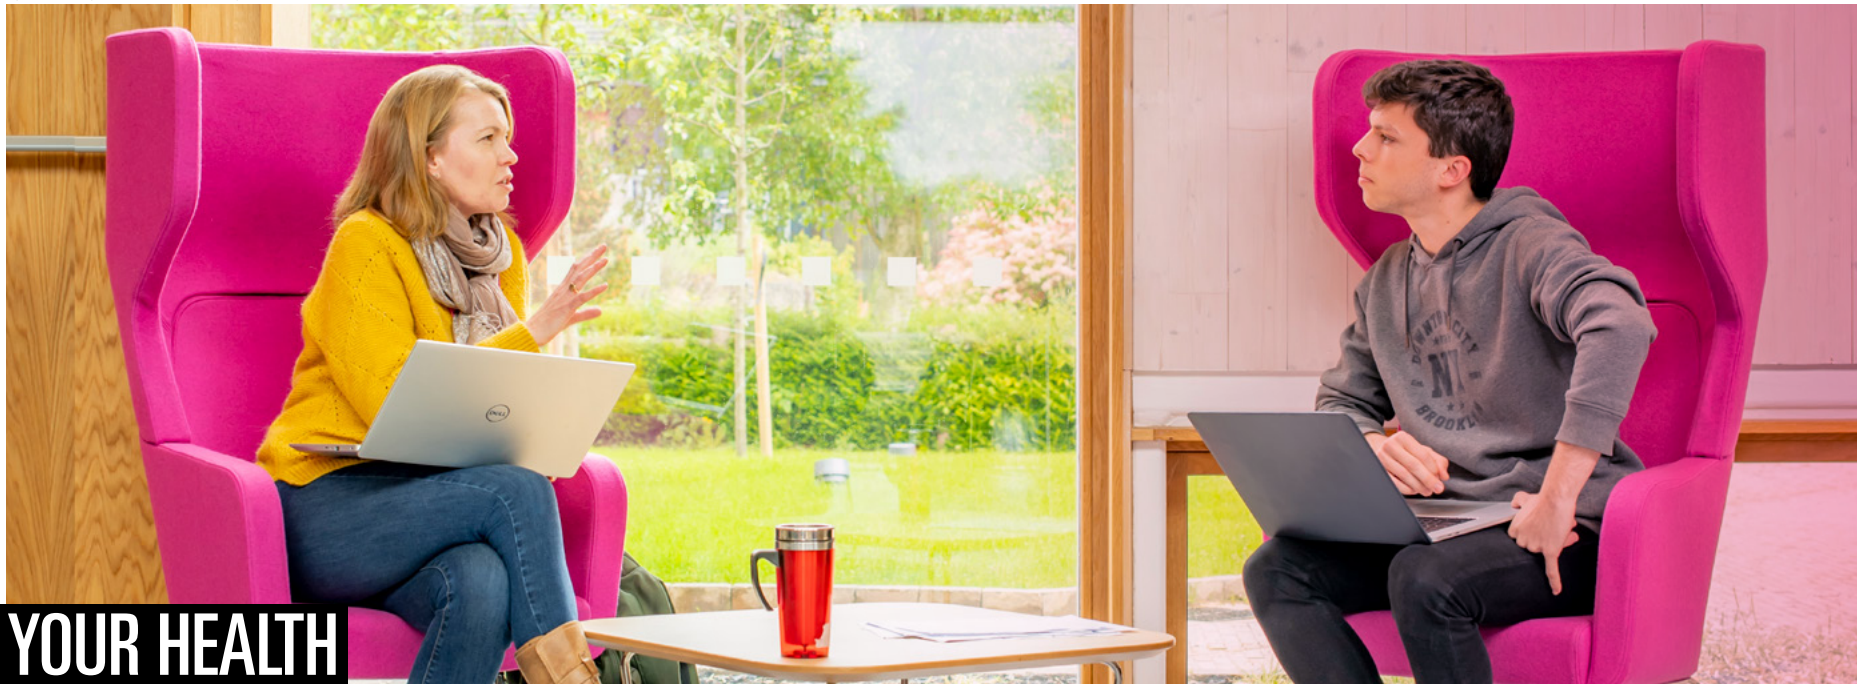

Our experience is built around treating you as an individual, and recognising that great support isn't just a one-size deal. There's nothing we haven't seen or helped our students with; you might be feeling a bit homesick in your first few weeks, trying to get your finances in better shape, wanting to change your study arrangements because of a health condition, or simply looking for someone to talk to.

You'll have your own personal tutor. You'll be paired with a Student Mentor — a second or final-year student from your own course, who'll show you the ropes of uni life. You'll have 24/7 access to the right support services at the click of a button. From essential study skills to jobs fairs, you'll have year-round access to a huge range of workshops and networking events. It's a comprehensive, personalised support offer that's been built to give you the very best shot at success.

We've got you covered

For more details of our award-winning support services, visit: ntu.ac.uk/support

YOUR HEALTH AND WELLBEING

We want you to shine, and that means keeping you safe, satisfied, and comfortable. Our Equality, Diversity and Inclusion team work hard to maintain a culture of safety and respect for every one of our students, ensuring you're seen, heard, and valued.

You'll have on-demand access to a huge range of welfare resources at NTU, including:

The Disability and Inclusion Services team, who'll coordinate tailored support for any learning differences, and mental health / autism spectrum / physical conditions

Our **wellbeing toolkit**, which gives you access to advice, activities across campus, and resources like SilverCloud — the online therapeutic platform

Student Support Advisers in each of our eight Academic Schools, who can help resolve course issues or any personal difficulties you're experiencing

The **HealthyNTU team**, staging events and helping with everything from sexual health to emotional wellbeing

Dedicated **support and English language classes** for international students, helping you to settle into life and study in the UK

Specialist support if you're a **care-leaver, care-experienced, or estranged student**

Mental Health Support Advisers, Student Mental Health Champions, and a confidential on-site **counselling service** — all offering advice, guidance, one-to-one support sessions, and signposting to local services

On-campus **health centres** at our City and Clifton campuses (and nearby to Brackenhurst), plus registration with a local GP

Regularly scheduled **mindfulness, meditation, and creative wellbeing** sessions

A **multi-faith chaplaincy team**, who'll support your spiritual development and connect you to faith-based organisations throughout the region

Advice and guidance from the **Student Financial Services** team, on everything from funding eligibility, to money management.

Support to help you feel your best

Find out how we can help you at: ntu.ac.uk/studentwellbeing

CAREERS

GUIDANCE AND SUPPORT

Studying at NTU will get you more than just a job. It's not about what you want to do; it's about who you want to be in your future.

That's where our Employability team comes in. With their friendly one-to-one expertise — plus the hundreds of part-time, placement, and graduate opportunities they source all year round — you'll develop the perfect profile of skills and market knowledge. Employability is built into your curriculum so that you get the right advice at the right time. What's more, you'll have access to dedicated employability staff, armed with the specialist knowledge and experience of your chosen sector.

Professional experience

We're rated as a **top 10 university for work experience**

(RateMyPlacement 2023)

Our undergraduate courses come with up to 240 hours of relevant work experience as standard, and that's huge for your professional prospects.

With access to our network of local, national and international employers — plus a constant range of live briefs, consultancy projects, and industry competitions — your future's in good hands. Whatever your subject, we ensure that what you're learning is what employers expect to see.

Some things can't be taught — and the real world experience of your dream job is one of those things. That's where placements can add real value to your degree. Most courses have the opportunity for you to gain professional experience ranging from two weeks to 12 months, giving you the chance to work with real businesses. Make the most of these opportunities, and you won't just be an option for employers — you'll be their priority.

KICK-START YOUR CAREER

We'll support you with your self-marketing — everything from your **CV and LinkedIn profile to interview practice**. We'll be here to help you through every step of the job-hunting, application-sending, career-building process.

Looking for some inspiration? Our **'Working On It'** podcast shares the professional stories of current NTU students, VIP guests, and graduates from around the world.

We host **careers fairs** throughout the year, giving you the chance to meet with leading companies and organisations from around the world.

Our **online vacancy platforms** will help you to find a huge range of placements, volunteering opportunities, part-time roles, jobs across campus, and graduate positions.

If you're a budding entrepreneur, check out **NTU Enterprise** — our specialist self-employment hub, which has helped to launch over 500 new businesses since 2001.

Like the fairs, our **employer sessions** give you the inside track on what recruiters expect to see, while our employability workshops provide the practical tips that'll help you ace any recruitment process.

We provide **employability student hubs, coaching**, and an **online drop-in and live chat service**, where you can run questions past our friendly, experienced team.

Our **NTU Award** enhances your CV and supports your development by recognising your hard work inside and outside of lectures — from volunteering and work experience to Students' Union activities. Again, it's a handy advantage to take to the job market.

Prepare for professional success with personalised advice and a day-to-day focus on employability. Our **Graduate Promise** guarantees you up to three years of post-study support and a paid internship if you're not employed or in further study within 12 months of graduating.

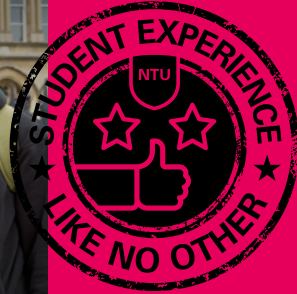

Eyes on the future?

Learn more about our employability support at: ntu.ac.uk/employability

STUDENT LIFE

City Campus

There's more to your degree than what you've learnt: increasingly, it's a question of how you've learnt it. Knowledge alone won't cut it — employers want to see confidence, versatility, and hands-on experience.

Whatever your course, we'll make sure you learn the right things, the right way. That means blending theory with applied practice; honest conversations on first-name terms with your lecturers; the freedom to find a specialism as your course progresses, through a huge range of optional modules; different assessment methods to accommodate every type of learner; and non-stop professional tie-ins, through placements, live industry projects, and the work-like experience that comes as standard on every NTU course.

NTU life isn't just about being 'a student' at 'a university'. When we say it's an experience like no other, we mean it — and that experience is as much about what happens outside your lectures as in them.

Learn a language. Learn an instrument — and if you can play one already, play it with new people, in new ensembles. Take up a sport, and be ferociously elite, or happily amateurish. Join a writing group, or a volunteering project, or one of our 100+ student-run clubs and societies. Start one of your own. Become an actor, a belly-dancer, or a ghost-hunter.

The choices are endless — and they're all yours.

There's something for everyone

Find out more at: ntu.ac.uk/studentlife

NTSU: YOUR STUDENTS' UNION

Byron building, City Campus

“
WE'RE DEDICATED TO EMBRACING AND HONOURING OUR DIVERSE STUDENT COMMUNITY — NTSU CHAMPIONS INCLUSIVITY.
”

Anna O'Hara
NTSU President

From the day you enrol on your course, you're officially a member of Nottingham Trent Students' Union (NTSU). Welcome!

Our Students' Union is a huge part of the NTU experience. NTSU's buildings are places to relax, meet new people, and try new things. Here, you'll find lots of support staff, mentors and elected reps, all dedicated to making sure your voice is heard, and that your time at uni is the very best it can be.

Find your passion. Find your people.

There's so much to get involved with through NTSU. You can pick up one of your pre-uni passions, or try something completely different. Wherever you're based, you'll get access to:

- an extensive entertainment programme, including daytime activities, weekend trips, live music, and legendary club nights (check out trentevents.co.uk)
- More than 100 diverse societies, student communities, networks and academic groups — from gaming to knitting, anime to animals, chess to Chinese, and film to fashion. Whatever your interests, there'll be something here for you!
- a fantastic range of 'Give It a Go' opportunities — including trips around the UK, wellbeing and self-care activities, and handy employability workshops
- personalised support through our free and confidential information and advice service, whenever you need to talk.

Get to know your SU

For a full breakdown of events, activities, reps and more, visit: trentstudents.org

NTU SPORT

From light inter-lecture workouts to intense Varsity competition, NTU Sport has something for everyone.

- We've got a stellar sporting pedigree, and placed 8th in the 2022/23 British Universities & Colleges Sport (BUCS) league.
- For beginners looking to experience something new, try our award-winning 'Play for Fun' initiative — winner of BUCS' 'Participation Programme of the Year' in 2023.
- For elite competitors, we offer dedicated sports scholarships, high-quality strength, conditioning and nutritional coaching, personalised physiotherapy, and so much more.
- Enjoy flexible access to a huge range of top-notch facilities and friendly, instructor-led fitness classes through our discounted gym memberships from £9.99 per month.
- From powerlifting to pole-dancing, we host over 60 sports clubs — and everybody's welcome!

➤ ntu.ac.uk/sport

➤ ntu.ac.uk/global

NTU GLOBAL

NTU's diversity is one of our biggest strengths: we're home to students and staff from over 160 of the world's 195 countries! You'll find unexpected new friendships, opportunities, and perspectives here.

Relax in the Global Lounges at our City and Clifton campuses, learn a new language alongside your course, celebrate Global Week (our annual festival for NTU's worldwide community), and join a whole host of student-led cultural clubs and societies. Looking to spread your wings? You'll also have the chance to live, learn and work internationally, through the internships, summer schools, and exchange schemes we run with our 300+ partner institutions.

NTU ARTS

Here to keep you creatively enriched, NTU Arts offers activities and events for all tastes and talents. From bands to book clubs, crafting to concerts, exhibitions to excursions, we'll help you broaden your creative horizons.

- If words are your passion, we've got writing workshops, reading groups and book exchanges — as well as masterclasses and mentoring from published authors.
- For singers and musicians, we offer generous scholarships, instrument hire and tuition, rehearsal spaces, and a collection of choirs, bands, and ensembles to join.
- Our live spaces — Metronome, Bonington Gallery, and University Hall — host everything from poetry slams and lo-fi indie gigs, to art exhibitions and global roots music.

➤ ntu.ac.uk/ntu-arts

➤ ntu.ac.uk/volunteering

NTU VOLUNTEERING

Volunteering helps you develop lifelong skills. It's a great way of settling into Nottingham, supporting other people, and delivering real change throughout your community. Find the right opportunity, and it could add a whole new dimension to your NTU experience.

Our huge range of voluntary roles are built to fit around your requirements, the wider community's needs, and NTU's main research areas. From day one, you'll have the chance to make your mark on the big issues that you care about most — whether that's homelessness, conservation projects, or even working with young people in sport and the arts.

OUR COURSES

This section includes a full listing of NTU's undergraduate courses. It's organised by subject area, providing course titles and qualifications, UCAS codes, typical entry requirements, length and modes of study, campus locations, and the courses' key features.

Titles and qualifications

- Typically, bachelor-level degrees are BA (Hons) or BSc (Hons).
- Some courses have a qualification title that's related to the specific subject area (e.g., BEng, BArch, or LLB). Other higher education qualifications include CertHE, HND, and HNC.
- If the course requires a year of study before the degree, it'll be labelled with 'foundation year'.
- Where the qualification starts with an 'M' (e.g., MChem) this is a Masters-level qualification.

Typical entry requirements

- If you're applying for an honours degree or a course with a foundation year, you'll usually need to be studying three A-levels, or equivalent qualifications (i.e. BTECs).
- We display entry requirements as UCAS Tariff points, either as a specific total (e.g., 64) or a range (e.g., 112-120). That range means you could be accepted to the same course based on slightly different points, as we consider each application individually and use different factors to build 'contextual' offers.
- We've also highlighted where some courses require a specific qualification, such as an A-level in a particular subject.

Wondering what grades equate to what points?

To quickly convert your predicted grades / actual qualifications into UCAS Tariff points — and then check your total points against the eligibility requirements for your preferred course(s) visit: ntu.ac.uk/ucas-tariff-calculator

KEY

Accredited — this course is accredited by a professional body, institute, or company linked to the subject, recognising its standards of teaching and learning.

Study abroad — this course includes studying or working abroad at one of our international partner universities.

Work placements — the course either involves a short placement (non-award-bearing, or with a placement certificate), or a sandwich year (a paid placement over one academic year, usually completed in your third year of study).

Contextual offer available — a tailored offer is available, based on your personal circumstances. See page 57 for more information on contextual offers.

To ensure you have the most up to date and detailed information, search our course pages at:

APPLYING TO NTU

Ready to apply? Once you've discovered your perfect NTU course (and its entry requirements), you're ready to get started.

For a step-by-step breakdown of the process — from registering with UCAS, to the difference between firm and insurance choices, right through to results day visit [ntu.ac.uk/applying](https://www.ntu.ac.uk/applying)

If your application's successful, we'll send you either:

- a **conditional offer** (where you'll need to meet certain requirements — usually particular grades or UCAS Tariff points)
- an **unconditional offer** (with no additional requirements)
- an **alternative conditional / unconditional offer** (where you perhaps haven't met the criteria, but we've found a great course you could do instead).

Our friendly Admissions team will be on hand throughout the process to give you all the support you need — so if you need help, just ask!

Contextual offers

You'll see that we also make 'contextual offers' — typically one grade lower than our standard entry criteria for that course. Those offers are based on your background and individual circumstances, which is information we receive straight from UCAS. It's not something you'll need to contact us directly about.

Contextual offers are part of our commitment to ensuring everyone has access to the same great opportunities at NTU.

To find out the requirements for a contextual offer, and whether you might be eligible for one visit [ntu.ac.uk/admissions-policy](https://www.ntu.ac.uk/admissions-policy)

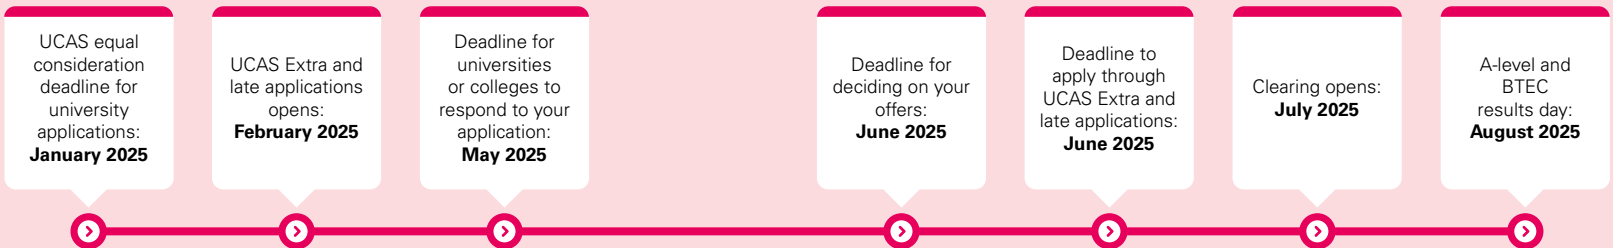

Looking for some help with your application?

[ntu.ac.uk/applying](https://www.ntu.ac.uk/applying)

TYPICAL TIMELINES

INTERNATIONAL APPLICANTS

If you need any advice on studying here, our International Development Office team are always happy to help.

You should pay close attention to:

- the entry requirements for your course — find a full list of the international qualifications we accept at ntu.ac.uk/entryrequirements
- the English language requirements — a list of accepted English tests, if it isn't your first language can be found at ntu.ac.uk/englishlanguage
- the Student visa requirements for studying at NTU — for useful tips on how to make a successful application visit ntu.ac.uk/visas

If you need help meeting the language or academic requirements for your course, don't worry — we provide Pre-sessional English for Academic Purposes (PEAP) and undergraduate preparation courses, taught at the Nottingham Institute of Language and Intercultural Communication (NILIC), and Nottingham Trent International College (NTIC) on our City Campus.

FEES AND FUNDING

At the time of publication, the fees and funding arrangements for 2025 entry at NTU haven't been confirmed. In the meantime, keep an eye on the useful links to get all the help and information you need.

As a general guide, here are NTU's tuition fees for 2024 entry:

Home fees

- Full-time undergraduate and foundation degrees — **£9,250** per year
- A placement year as part of a sandwich degree — **£1,850** per year
- An academic year spent studying or working abroad — **£1,385** per year

International fees

- **£17,900** per year for courses in the Nottingham School of Art & Design, and Nottingham Business School
- **£17,150** per year for all other subjects
- **£17,400** per year for courses based at Confetti London

We're here to help!

If you've got any questions, our Student Money Team will be happy to answer them.
