## Template Eight: NTU courses in Mansfield

To meet the specific requirements in relation to the design of courses delivered in Mansfield, the following **must** be incorporated:

| Requirement | Edu Gain | OfS | SNF |
|---|---|---|---|
| **Assessment**<br>No examinations shall be used as either formative or summative assessments for any courses delivered at the Mansfield campus except where specified by a PSRB. | Learn | B1<br>B4 | 1, 3, 4, 5 |
| **Delivery pattern**<br>The use of a block teaching (or block delivery) model – modules delivered one at a time, sequentially - is not a mandatory requirement. However, it may be adopted where it is pedagogically appropriate and fits within the semester-based delivery model.<br><br>Timetabling must follow a structured full-day (block timetabling) model unless there is a clear pedagogical rationale for an alternative, which must be provided in both CourseLoop and the course approval report. | Learn | B1<br>B2 | 1, 3, 4, 5 |
