1	3	Good to find out what other teams / organisations are doing and how these maybe replicated	3	Running a similar project at the moment - good to share experiences	3	Good to hear everyone's perspectives, share knowledge	3	None	3	None	Sharing work experiences and challenging how we do things differently	Layout of tables - it was hard to see speakers at the front	None
2	3	None	3	None	3	None	missing	None	missing	None	None	None	None
3	3	None	2	Findings were intriguing and would have benefited from greater clarity in presentation and discussion of findings and confounding factors and questions for further research	3	None	2	Delegate information would have benefited from transport, parking and catering information	3	None	Opportunity to view research and hear from experts and policy makers and practitioners	Clarity of academic presentations	Very much appreciated that the event was free of charge to delegates as without this many practitioners will struggle to attend
4	3	Research presentation was very insightful and generated a good debate. Alex's presentation was very engaging	4	None	3	None	4	None	3	None	The presentations	No areas I can think of	None

## Burglary & Security Conference

5	3	Most were very good, information was very useful	4	Looking at taking forward WIDE in various areas of working	4	Welcomed opportunity to discuss issues with partners both local and national	missing	None	missing	None	None	None	None
6	4	None	3	Alarm findings very interesting and would be interested to know why this is ... various potential factors - are they on private let properties / were they used.	3	None	3	None	4	None	Research presentation and speakers v. good	None	None
7	3	None	4	None	3	None	3	Excellent as regards pace of the event and the programme	3	None	The data relevant to my area of work	Slightly larger rooms with seating in horse-shoe shape all facing the front as some seating had backs to the front. Although excellent venue, facilities.	None
8	3	I would have liked a print out of the tables during the presentation as I found the charts difficult to follow at first. A hand-out would have been useful	4	I will try to use the findings to help justifying my security improvements in rented properties	3	It has given me the opportunity to meet and expand my knowledge on security	3	None	3	None	The report findings WIDE	Hand-outs at the start concerning charts / graphs	Bullets points of results
9	2	None	3	None	4	None	4	None	2	Area for refreshments was a quite tight / cramped	Every attendee appeared genuinely enthused to take away the findings - food was excellent	None	None

## Burglary & Security Conference

10	3	None	3	None	3	None	4	None	4	None	Statistics regarding how relatively cheap it would be to increase security over the cost saving to police, NHS etc.	None	This research should be made available to the general public and written in 'layman's' terms
11	4	Really useful information	4	Taking it back	3	None	3	None	3	None	Having the results given to us to understand	None	None
12	4	None	3	None	3	None	4	None	4	None	Learning from others' experiences (speakers)	Some slides could have been simpler to understand	Good day
13	3	None	3	None	3	Enjoyed round table exercise	3	Very good insight - more please!	4	None	Round table discussion	? inputs, less keynote speakers	None
14	3	None	4	None	3	If we can continue to share information it will be of great value	4	None	4	Lovely venue	The input around what security measures work and the afternoon discussion	Nothing	None
15	4	Relevant to topic and engaging	3	Some greater detail on Op Paddlewood findings would have been good; i.e. how many houses burgled had alarm activated etc.	4	Roundtable discussion	3	None	4	None	Roundtable and speakers	None	None
16	4	None	4	None	4	To apply findings of Operation Packwood to burglary visits	4	None	4	None	Guest speakers	N/A	Excellent!

## Burglary & Security Conference

17	4	Great keynote speakers, very relevant	4	None	4	None	4	None	4	None	Great USB and pen freebies! Keynote speakers and pilot presentation. Great to see academic work implemented in practice. Machi and Nick's presentation very useful and easy to understand.	N/A	N/A
18	3	Appropriate but hard work academically! Excellent for a less practitioner audience	3	Very interesting although as an academic I knew some already!	1	Interesting discussion but all a bit local I suspect. You would need a different kind of event to impact something so fundamental	4	None	4	Good lunch	Contact with practitioners	Research papers made available or at least references provided. There was a lot of interest	None
19	4	None	4	None	4	None	4	None	4	None	Practitioner involvement [I THINK] great discussion of implementation issues	Time for more questions or speakers	Well-organised and engaging day. Feedback ?? Drawn out. Discussion, length, food focusing attention on the issues
20	4	None	4	None	4	None	4	None	4	None	WIDE - an excellent concept which need to be publicised. I will certainly be making use of this back in my area of business	None	An excellent informative day. Thank you [Ian King]
21	3	All very informative	2	They are what I expected	2	None	4	Very well handled and flowed well	3	Well located	Good mix of agendas skills etc.	More room - very loud when all in group talking	Food great
22	4	None	4	None	3	None	4	None	4	None	None	Hand-out of PowerPoint slides would have been useful	None
23	4	None	4	None	4	None	4	None	3	None	None	None	None

## Burglary & Security Conference

24	3	None	3	None	3	None	3	None	3	None	Opportunity to speak to others	Room was a little crowded	None
25	4	Engaging speakers with punchy presentations	4	None	3	None	4	None	4	None	Morning input from keynote speakers	Discussion how the research could be used to influence the national debate on burglary prevention. How we could influence Home Office / ACPO	None
26	3	None	3	Good to see how academic research can influence front line policing	2	Good to get information to place the prevention agenda on the force agenda	3	None	3	None	Morning presentations were very informative	Need to get some information to chief police officers for national approach	None
27	4	Really interesting - moving from academic in the first session to practical application in the second	4	Good to have an evidence base as to what works	3	None	missing	None	missing	None	None	None	None
28	4	Great research, informative and obviously undertaken by a professional and committed team of people from different disciplines	4	Findings were informative and will inform future research	4	None	4	None	Beautiful and interesting building but room a bit small	None	The quality and mix of those people attending	We could have spent more time in discussion	None
29	4	None	3	None	3	None	3	Some advance notice of the tour and dinner would have been helpful for planning travel, but not a big issue :)	3	None	Well positioned papers presented	Nothing	None

## Burglary & Security Conference

30	4	Very good range of research discussed - lot of relevance for burglary and security going forward	4	A lot of v. interesting findings and great connection made - lot of "food for thought" - for my organisation	4	Roundtable discussion were great - v. useful to share ideas and hypotheses for findings / difficulties raised	4	V smoothly run, great	4	Good venue - perfect for task at hand	Roundtable discussion - incredibly useful and meaningful to engage with other colleagues over key issues	None	V good, valuable event, glad to be a part of it
31	4	Excellent - PowerPoints could have been shorter	4	Interesting feedback / more detailed analysis regarding alarms and crime increase	3	Confirmation of "WIDE" principles, give steer on capital works (programmes) in social housing	3	Very good	3	Bit of a squeeze for lunch but as good venue (very atmospheric)	Locality / Galleries of Justice	Larger room	None
32	4	None	3	The discussion on burglary alarms was very surprising, is familiarity a factor in social housing i.e similar types?	3	Will be able to implement a Secure by Design policy, when updating doors, windows etc.	3	None	3	None	? Prevention is better than cure and more cost effective, resources then can be better deployed	None	None
33	3	None	3	None	3	None	3	None	3	None	None	None	None
