

Undergraduate Course Information for 2020 / 2021 Academic Year

Course Title	Business Management (Accelerated)
Award / Awarding Body	BA (Hons)
UCAS Course Code	N203
Length of course	3 years full-time
Course format	Full-time (including 1 year learning in the work-place)
Campus / Location	City campus
Accreditations (if applicable)	Chartered Management Institute (CMI). Nottingham Business School has EQUIS and AACSB accreditations.

Fees

Tuition fees per year:	Fulltime: £9,250 The tuition fee for the second and subsequent years of study will not increase above £9,250
Costs included in fee	All mandatory costs for the course are covered in the course fee.
Additional / extra costs (indication of how much)	Most study modules will recommend one or more core text books, which most students choose to purchase. Book costs vary between courses and further information is available in the University's bookshop. A good supply of these essential text books are available in the University libraries which students can borrow or access directly whilst studying in the library. During the course, you will go on a two day residential trip in year one and potentially a one to four week international summer school between year two and the final year. Travel and accommodation arrangements are provided during these trips/tours but learners will be required to cover certain elements of travel costs themselves. There will be a requirement for learners to contribute towards their own food provision/costs during the trips/tours.

Placements / work experience

Mandatory placements / experience	To continue on the course, it is essential for learners to apply for and secure a role for Year Two – the work based year
Optional placements / experience	Nottingham Business School makes many diverse opportunities available which may be connected to personal development throughout the degree.

Modules

We regularly review and update our course content based on student and employer feedback, ensuring that all of our courses remain current and relevant. This may result in changes to module content or module availability in future years.
