Welcome to Nottingham Trent University (NTU)

Choosing where to study is a life-changing decision – we're honoured that you're considering studying with us.

At NTU you'll be part of a community of students and staff from over 160 countries around the world. Nottingham is a welcoming city and we know you'll make friends for life here.

You may be feeling unsure about your study plans, and that's understandable.

Please be reassured that our students are supported, well-informed and safe as they study. We've adapted our teaching methods and implemented a range of measures to support safe, collaborative learning for all our students and staff.

See page 32 for more information on campus safety.

We hope you'll find a course that's just right for you. We look forward to welcoming you to the University soon.

Most photography used in this guide was taken before the Covid-19 pandemic. Please be reassured that the University continues to follow government guidelines.

Your future

NTU graduates get jobs. Our strong links with industry help us understand exactly what employers need. Your NTU experience will be packed with opportunities all designed to help you graduate with a CV or resumé that may give you a real advantage.

Employability

Our employability team will help you be ready to make the most of career opportunities in the UK and around the world. They offer tailored support throughout your studies from careers fairs and global employer networks, to making applications, and preparing for interviews.

Work towards our Global Employability Award and get recognition for the experiences and skills you gain.

You can also get advice on working in the UK after you graduate.

Every NTU course has opportunities to gain practical skills and experience.

One-year work placement

Apply for one-year paid placements with a company or organisation. These may be in Nottingham, in another part of the UK, or in another country.

Shorter work placements and projects

Short internships or work-based consultancy projects with a company are an important part of many of our courses. They range from 30 hours to 12 weeks.

Professional, transferable skills

You'll be learning planning, communication, analysis, creativity, cooperation and problem-solving skills – no matter what NTU course you do. These are skills that'll really help you make the journey between studying and working.

Visit ntu.ac.uk/job-ready to find out more.

Completing a work placement can have lots of benefits. It can build your confidence, improve your CV and help you stand out to future employers.

January start courses

Interested in starting at NTU in January?

We offer a wide range of our postgraduate courses with the added flexibility of a January start.

Some offer a work placement opportunity, just like our September courses, and these are marked with a  in the course list on page 20 and 21.

Our international teams are ready to advise if you would like to find out more about your study options for this time of the year.

Visit ntu.ac.uk/january to find out more.

“The course is very informative and educative. I really enjoy that all the modules are highly practical instead of just theoretical.

I got advice from all the student support teams, from accommodation to transportation, and they have always been helpful.

Pre-sessional English for Academic Purposes (PEAP)

If you need help achieving our English language requirements, we may offer you a place on the condition that you successfully complete a PEAP course at the University before your course begins.

The length and cost of your PEAP course will depend on your current level of English. Our courses range from 6 to 20 weeks.

You can get free language support classes throughout your time as a postgraduate or undergraduate student here, including one-to-one help with writing.

Visit ntu.ac.uk/peap to find out more.

◀ Walter Nowlan,
Senior Lecturer,
English for
Academic
Purposes

Hi, I'm Walter, the PEAP course leader.

PEAP is more than just an English language course – it's a great preparation course for studying at NTU.

- Your tutors will give you the support you need so that you're well prepared for assessments and your follow-on course.
- You'll make substantial gains in language development in a short time.
- Everything you learn will be relevant to your studies.
- Learning takes place through collaborative tasks in small groups.
- You'll become more confident and familiar with the 'NTU way of doing things'.

What our students say

"I had an IELTS grade 6 and experience of IELTS preparation English classes. Confidently, I can say that PEAP was better, and a totally different experience compared with my local English classes.

It was like a university preparation class that not only increased my academic English skills but also helped me to be more familiar with the university tasks and the environment. I made friendships which helped me to not feel alone and met lovely people.

The best bits about the course were friendly environment, fantastic student support system, kind and knowledgeable tutors."

**Saba Darouei Haghighi, Iran,
PEAP 2020**

International scholarships

We offer many scholarships to international students who have offers to study at NTU. These are highly prestigious, competitive awards, worth up to half of your tuition fee. Our scholars have gone on to become strong and highly valued ambassadors for the University.

All scholarships available are listed on our website, with application advice and deadlines. If you are progressing from one of our partner universities, you are eligible for either an NTU international scholarship or the partner progression discount (the higher amount would be deducted from your tuition fees).

“How did I feel when I won an NTU scholarship?”

It was one of the best feelings I've ever experienced.

I felt very motivated as it involved a fee reduction, and my hard work and efforts were recognised.”

Mohini Raj, India

“I felt really special when I was awarded the NTU scholarship. I just felt like I was doing something right and it gave me the confidence boost I needed.

I had doubts in myself and my skills but winning a scholarship proved that those thoughts were unnecessary.”

Kirkke Poldsalu, Estonia

Visit ntu.ac.uk/internationalscholarships to find out more.

Last year we
awarded
511
scholarships
to students
from
73
countries.

“A scholarship is an opportunity for you to make yourself stand out from the crowd.”

**Azad Urusha, India
MSc Finance and
Investment Banking**

“Yes, a scholarship is a fee discount but it’s so much more than that – you become part of a community.”

**Khadija Twumasi,
Ghana LLM Health
Law and Ethics**

“I felt very happy, excited, and blessed when I found out I got a scholarship.”

Chanisaraa Sroitongrada, Thailand

Benefits of an NTU scholarship

A scholarship brings many benefits, including:

- **a formal recognition of your achievements;**
- **a reduction on your tuition fees;**
- **access to a new friendly community for networking and socialising.**

▲ Students enjoying the NTU Scholarship Awards Celebration.

“For me, a scholarship is more about the value of the education I get. A lot of people around the world do not have that chance.

I remember phoning my mum and dad – it was my father’s dream for me to study abroad – both were screaming: ‘Yeah! He got the scholarship!’ ”

Rezhyar Hamad Ameen, Iraq

Application advice

You’ll need an offer to study at NTU in order to apply. Remember to:

-  be yourself – this is all about you;
-  spend good time on your application;
-  express your interests and your achievements;
-  believe in yourself – nobody thinks they are good enough until they apply.

Living costs

Living in Nottingham as a student can be cheaper than in bigger UK cities, such as London, Birmingham or Manchester.

Visit ntu.ac.uk/pay for more advice on making international payments.

There are many ways to save money while you're here – using your student card for discounts in shops and on transport, for example.

And some of our international students choose to work part-time to get some extra income while gaining valuable experience.

Your daily, weekly and monthly costs will mostly be for your accommodation, food, entertainment and bills. It's important to be prepared and to budget carefully – you'll find more advice on our website.

Approximate costs of studying in Nottingham per year:

Accommodation: £4268 – £8,925

Food shopping at supermarket: £2300

Student society membership: £1 – £10

Gym membership: £80 – £110

Books, study resources and printing: £100 – £150

Visit [ntu.ac.uk/managing-money](https://www.ntu.ac.uk/managing-money) for more info.

International payments

NTU's international bank transfer platform is **WU® GlobalPay for Students**.

Payment methods also include:

This service offers you and your family the opportunity to securely send transfers for payment of tuition and/or accommodation fees in your local currency.

Visit ntu.ac.uk/pay for more advice on making international payments.

A group of four students are seated at a wooden table in a cafe or study area. The background is decorated with pink cherry blossom branches and a large, glowing, conical paper lantern. The students are looking towards the right side of the frame. One student is holding a smartphone.

Benefits to using WU® GlobalPay for Students include:

- **paying fees in your local currency;**
- **avoiding fees and international foreign exchange charges from your bank;**
- **easy to use on smartphones and other mobile devices;**
- **paying online or by bank transfer;**
- **peace of mind knowing your payments are received in full by the University;**
- **tracking your payment status by text and email;**
- **price and payment options upfront with a price comparison tool;**
- **a wide choice of payment methods including AliPay, TenPay, UnionPay, Trustly, Sofort, Poli etc.**

Safety comes first

We are making sure we continue to deliver the best student experience, in the safest way.

Here are just some of the changes we have made:

- Redesigning classrooms, laboratories, and specialist facilities to support active, collaborative learning in a safe environment.
- Timetabling our courses to ensure good social distancing, fewer students in rooms and students in consistent groups.
- New signage so students are clear on where they need to be.
- Installing hand sanitiser stations in every building.
- Replacing standard water taps with sensor-control taps.

Visit ntu.ac.uk/student-life to find out more.

- Adapting a range of teaching and learning techniques.
- Enhanced, regular cleaning of commonly used areas in every building.
- Installing screens to facilitate meetings.
- Students and staff wearing a face covering inside all NTU buildings, unless exempt.
- Innovative use of the University's campuses, for example, new covered outdoor spaces for students to meet outside.

Campuses

We have eight Academic Schools located over four campuses. As an international student, you'll most probably be studying at our City, Clifton or Brackenhurst campus – it depends on your subject.

Each school has a friendly student community and you can find out more about them on pages 42-57.

Take a virtual tour around the University campuses at virtualtour.ntu.ac.uk

IT facilities

Loan laptops, group and individual study spaces, thousands of computers, 24-hour access, and specialist course-related software.

- Global Lounges for social events and activities.
- Prayer rooms and other faith facilities.
- Green spaces outside on our campuses.
- Dedicated music practice space for all abilities and musical interests.

We've invested more than £450 million across NTU's campuses.

Learning with the best

You'll enjoy the highest standards of teaching during your studies. Our lecturers have extensive experience in industry, research and the professions, leading to national recognition that our teaching is of the highest quality in the UK.

You'll learn so much about the theory and the practice of your subject. You'll also benefit from inspirational guest lecturers and speakers who'll bring your subject to life.

Whatever course you do, you'll find new and exciting ideas. And you'll develop your confidence further by getting practical experience.

Explore Nottingham

Nottingham's a great city to be a student. There are over 60,000 students living here from all over the world. Over 25,000 of these are studying at NTU!

Students are attracted to Nottingham for a variety of reasons. The cost of living is very reasonable and it's a friendly and welcoming place.

Another great feature of Nottingham is that everything's really close. Unlike in bigger cities like London, for example, you can easily walk from NTU's City Campus to the shops and attractions in just a few minutes. And the regular buses and trams mean you can quickly reach other parts of Nottingham too.

Visit ntu.ac.uk/nottingham to find out more.

A breath of fresh air

Over 20% of Nottingham city is devoted to green spaces, such as public parks and gardens. You can easily go for a relaxing walk or cycle. You'll also have easy access to beautiful green countryside – the world-famous Peak District, for example, or the iconic Wollaton Hall Park.

Shopping heaven

If you like shopping, you'll love Nottingham! It's a big city shopping experience in a compact city centre. From Primark and Zara, to Urban Outfitters and Dr Martens, you'll find high street brands for every budget.

We've got iconic labels, too – Vivienne Westwood, Paul Smith and Diesel all have homes here, and our students love the independent vintage and charity shops in the Creative Quarter.

Living here

Arts and culture

Whether you're into art galleries, music, cinema or theatre you'll find it all in this city.

New tastes

Worried about not liking British food? No problem! There's a great range of international food stores here in Nottingham – you can become an expert cook in no time. There are also a lot of supermarkets, restaurants, and tea and coffee shops. You'll be surprised, 'British' food is a mix of food from all over the world, and it's pretty good!

Your home away from home

Being happy where you're living is such an important part of your student experience. That's why we have a fantastic choice of accommodation available for you, and it's really important to start your research early.

University or private accommodation?

We offer a huge range of both University and private accommodation to suit every budget. University accommodation starts at approximately £106 per week and goes up to approximately £174 per week. All our accommodation is high quality, modern, and meets high safety standards.

While deciding what sort of accommodation you want, you may want to consider:

- sharing an apartment or a house with other students;
- having an en-suite bathroom or shared facilities;
- the cost, and whether utility bills (such as electricity and gas) are included;
- the length of the contract (university contracts include the Christmas and Easter holidays);

Our Accommodation team is experienced in helping international students to find the right place. If you need support we'll be happy to help.

We can offer flexible accommodation contracts, perfect if you're a Pre-sessional English (PEAP) student or if you're starting a Masters course in January.

Our accommodation team works very closely with **private accommodation providers** in Nottingham to create more accommodation options for NTU students. Visit **ntu.ac.uk/private** to find out more. Many of our international students take up these opportunities.

Start house-hunting online

Our accommodation **books up fast**; it's really important to start looking as soon as you can and reserve as soon as our booking system opens.

Our website is a great place to start your research. You can view what's available, find out more about the different locations and see what's included in the cost. You'll find a few examples on this page.

Outstanding Support
for Students

THE Awards 2020

As an international student, you'll need to pay the Immigration Health Surcharge (IHS) as part of your visa application in order to be entitled to free healthcare through the National Health Service (NHS). Free healthcare includes:

- consulting a doctor (also known as a general practitioner or GP); and
- treatment in a hospital, including emergency treatment.

We strongly encourage you to register with a GP doctor soon after you arrive in Nottingham. You can do this online, or in person. We have medical centres on the City and Clifton campuses, and students at Brackenhurst campus register with the local medical centre in the nearby town of Southwell.

English language requirements

If English isn't your first language, you'll need to show that your language skills are strong enough for intensive academic study.

You'll need to achieve the required grade in an accepted English test like IELTS or successfully complete our Pre-sessional English course (see page 22).

You'll find our English requirements on our website and a list of the English tests we accept.

Visit ntu.ac.uk/englishlanguage to find out more.

Keeping in contact with us

Get a call from an international student

We often ask our current international students to call applicants. It's a great opportunity for you to ask more detailed questions, so remember to add your telephone number to your application.
