PORTFOLIO ADVICE

BA (HONS) FASHION KNITWEAR DESIGN AND KNITTED TEXTILES

Showing your portfolio at interview is an opportunity for you to showcase your skills, interests, style and personality. It's also an opportunity to make sure we have the right expertise and resource to support you during your time at university.

We understand your portfolio will be unique to you, but here's a handy checklist of things you should consider when preparing your portfolio.

Approximately 15 pieces of work. Be selective and showcase a range of work which shows us your creative skills, as well as the areas of fashion you are particularly interested in and passionate about. If you are applying to us from an Art and Design Foundation Diploma, BTEC Extended Diploma or HND course, please do not include A-level or AS-level work in your portfolio; it is the work from your current course which we are most interested in looking at.

Variety of creative work. We are interested in looking at a variety of creative work, including design, photography, life drawing and mixed media work, as applicable to the course. Due to the fact that some applicants have worked on design projects than others, your focus may vary.

Your working process. We'd love to see evidence of your working process. The best way for you to showcase this is by bringing your two most relevant sketchbooks and any development drawings which relate to specific projects in your portfolio.

A written piece. Please bring a piece of writing in the form of an essay or report, completed as part of your studies. We shall use this to assess your level of critical thinking.

A visual diary or scrapbook. If you keep anything that demonstrates your art, fashion and design interests, please bring it along too.

Showcase your passion. One of the most important things to remember whilst preparing your portfolio is to fill it with passion, showing us your potential as a accessories designer.
