

## **Service Development Evaluation Project**

Credits from this 30-credit module can be put towards a PG Cert/PG Dip Advanced Social Work Practice or the MA Advanced Social Work Practice. Applications are open to all registered social workers.

### **Introduction**

The module is aimed at social workers in all practice settings (Children's, Adult's and Mental Health Services) reflecting the generic nature of social work practice.

### **Overview and Aims**

This module will enable you to undertake an applied project relating to an evaluation of service delivery reflecting real world concerns of professional organisations. The module provides you with an opportunity to make an original contribution to knowledge and understanding in your chosen field of professional practice.

- Review of project design and methodology building on the recommendations of the pilot study (Research Module pre-requisite). The review process will enable you to incorporate material from your methodological report (pilot study) into your evaluation of service delivery project and business plan.
- Ongoing supervision from project supervisor.

### **Teaching**

Teaching is delivered through lectures, group work, direct supervision, e-learning and experiential activity. Delivery is usually at the City Campus and is supported by a range of online learning materials and access to library resources for personal study.

## **Assessment**

This module will be assessed through a 6000 word project and a 2000 word business plan.

## **Fees**

The modular fee for academic year 2018/19 is £765.
