

The Concordat to Support the Career Development of Researchers

NTU Action Plan 2019-21 – development and implementation plan

By 2021, through implementation of this Action Plan, we expect to see:

1. Submission of NTU institutional level Bronze Athena SWAN award by 2019, aiming for recognition in the same academic year. Preparation and submission of two Bronze Athena SWAN awards at academic application discipline department level by 2019/20.
2. Through progress with reviewing job families to create a tailored induction for Researchers aligned to job roles, we will see the introduction of a more targeted and relevant phased induction and associated development for Researchers.
3. Increased awareness of professional development resources to support researchers and their line managers through promotion of the Researcher Development Gateway and development of an online brochure with links to development aligned to the Researcher Development Framework by September 2019.
4. A widening pool of applicants for research positions at NTU through review of branding and 'I see possibilities' campaign and remain competitive and through a regular review of NTU's research environment.
5. Improved data on, and support for, career progression of researchers through specification of an improved HR system by implemented by 2021.
6. A pipeline of future research leaders through development of a new programme of development and mentoring for Early Career Researchers (ECRs) and an increase in visibility of development for ECRs.
7. Improved support for research impact development through active partnership development with a range of centres of academic, business, professional and civic excellence.

Recruitment: Monitor effectiveness of recruitment and branding programme including 'I see possibilities campaign' through average number of applications for vacant posts and through exit interviews.	Review of applicant numbers for vacant posts.	September 2019 and 2020 HR, Associate Deans for Research	To increase the year-on-year average number of applications per academic vacancy as measured by NTU's HR KPIs from an average of 9 in September 2016.	
Induction: Review effectiveness of induction following the move to delivery via MY NTU APP and the introduction of a rolling Researcher Induction at the Quarterly Researcher Forum Events.	Feedback from Researcher Forum reviewed by CMG and via New Starter Surveys.	By December 2019 HR, Researcher Development Manager	Increase engagement in induction through online and face to face leading to improved perceived value of induction as measured by CROS and PIRLS and feedback from Researcher Fora.	
Induction: CMG to monitor Researcher participation in Researcher induction across all Schools.	Review consistency of induction process for researchers leading to enhanced engagement and participation.	February 2019 and February 2020 Concordat Management Group (CMG)	As measured by increased participation and satisfaction via CROS/PIRLS survey 2019 in induction process across all Schools. Reduction to < 5% of those reporting lack of engagement in induction in CROS and PIRLS by 2020.	
Induction: tailor induction to job roles.	Creation of more nuanced induction aligned to job role.	September 2020 HR, Researcher Development Manager and ADR sponsor	As measured by increased satisfaction regarding relevance of induction across all Schools via new starter surveys.	

Principle 2: Recognition and Value: Researchers are recognised and valued by their employing organisation as an essential part of their organisation's human resources and a key component of their overall strategy to develop and deliver world class research.
