

Potential noise disruption: construction work at Byron accommodation

Byron accommodation is owned and managed by UPP. UPP will be carrying out construction and maintenance work on Byron blocks A, B, C and E from September 2022. These blocks will remain closed for the academic year.

As a result, there may be some limited noise disruption to surrounding accommodation Monday through Saturday during the daytime. All efforts will be taken to minimise the impact on surrounding residents.

Before booking this accommodation, please consider the potential impact of any noise disruption. As residents are being informed of this before booking and therefore will not be eligible for any rent compensation.

All bookings are for the full academic year and NTU may not be able to move you if you change your mind. If you need help and wish to discuss your options, please email us at accommodation@ntu.ac.uk
