Things to do

Get to know NTU in Mansfield

You're visiting our Mansfield site, where your course of interest is taught. When you arrive, make your way to the University Centre (map ref. **U**) and we'll show you around our Mansfield site, which will take about 15 minutes.

Get to know your course

You can speak to academic staff and find more information on what it's like to study your course at NTU in Mansfield. See the table above for the location of your subject hub and opportunities to view course facilities.

Chat to students

Our students will be available all day to answer your questions – ask anything and everything you want to know.

Get a taste of student life

With the help of our Student Support team and societies, you could bring a whole new dimension to your uni life. Visit the University Centre (map ref. **U**) to meet the people committed to making your time at NTU as enjoyable and productive as it should be.
