

### **Pearson BTEC Level 3 Extended Diploma – Animal Management**

Merit in Animal Biology **PLUS**

Merit in **TWO** of Animal Health & Disease; Advanced Animal Nutrition; Principles of Animal Nursing; Animal Breeding & Genetics.

### **Pearson BTEC Level 3 Extended Diploma - Applied Science**

Merit in Principles & Applications of Science 1 **OR** Physiology of Human Body Systems **PLUS**

Merit in **TWO** of Biological Molecules & Metabolic Pathways; Microbiology & Microbiological Techniques; Diseases & Infections.

### **Pearson BTEC Level 3 Extended Diploma – Equine Management**

Merit in Equine Structure, Form & Function **PLUS**

Merit in **TWO** of Managing Equine Disease; Equine Diet & Nutrition; Animal Metabolism: Equine Health & Husbandry.

### **Pearson BTEC Level 3 Extended Diploma – Forensic Science**

Merit in Principles & Applications of Science 1 **OR** Physiology of Human Body Systems **PLUS**

Merit in **TWO** of Microbiology & Microbiological Techniques; Forensic Genetics; Practical Scientific Procedures & Techniques.

### **City & Guilds Level 3 Advanced Technical Extended Diploma – Animal Management**

Merit in Biological Systems of Animals **PLUS**

Merit in **TWO** of Animal Nursing; Cell Biology & Genetics; Animal Feeding & Nutrition; Biochemistry & Micrology.

### **City & Guilds Level 3 Advanced Technical Extended Diploma – Equine Management**

Merit in Biological Systems of Horses **PLUS**

Merit in **TWO** of Equine Health; Equine Feeding & Nutrition; The Principles of Horse Fitness.

### **Access to Higher Education Land-based Studies (Animal Science)**

Merit in Science for Life **PLUS**

Merit in **TWO** of Introduction to Science; Advanced Science: Animal Science & Welfare; Animal Handling.

### **Access to Higher Education - Science**

Merit in Biology **PLUS**

Merit in **TWO** of Health & Disease; Human Physiology; Maths for Science.
