Welcome events for students starting at NTU  
in January and February 2017

# Welcome

We would like to extend a big, warm welcome to all new students joining NTU this January and February! Take a look inside this booklet for information about the events we've organised to help welcome you to the University, the Students' Union, and the city of Nottingham. The events are a great opportunity to get to know your new surroundings, meet fellow students, and make some lasting friendships.

# Global Lounge

We welcome all students to our Global Lounges at City Campus (Goldsmith Street) and Clifton Campus (Mary Ann Evans building, room 126).

Come and find out about all of the on and off campus global opportunities and funding available to you at NTU. We offer you the opportunity to organise and participate in cultural events, practise languages at our Language Cafés, meet other students from around the world, and relax with a free tea or coffee and chat with our friendly staff.

Visit [www.ntu.ac.uk/globalounge](http://www.ntu.ac.uk/globalounge) to find out more.

# Wellbeing at NTU

The Wellbeing Room is the place to come if you are looking for somewhere relaxed and friendly at Clifton Campus. With comfy chairs and food and drinks on demand, it's a great place to meet up with friends, or become part of the Wellbeing Room family. Students from all campuses are welcome to use the Wellbeing Room.

There are regular events throughout the year, including international student lunches on Tuesdays, or you can just drop in. You will find the Wellbeing Room behind the Clifton Student Services Centre.

To discover more visit [www.ntu.ac.uk/faith](http://www.ntu.ac.uk/faith)

- anything else about which you would like support and advice.

The specialist support includes drop-in sessions, one-to-one support sessions, mentoring, and referrals to another professional service.

There is a Student Services Centre at each campus:

# Your Students' Union

## Welcome to Nottingham Trent University and the Students' Union.

My name is Timi, and I am your President of Nottingham Trent Students' Union (NTSU) for this academic year.

I am in charge of the team of officers that represent you while you are studying at NTU. To find out more about your elected representatives, including your Officer for International Students, go to [www.trentstudents.org/youreps](http://www.trentstudents.org/youreps)

NTSU was named NUS Higher Education Students' Union of the Year 2015, and is one of the top ten SUs in the UK as ranked by the National Students' Survey (NSS). Students who engage with their Students' Union tend to perform better in their studies and get more enjoyment out of their university experience, so please take advantage of everything we have to offer while you are here – we are an award-winning Students' Union for a reason!

Timi Oluwasanmi  
NTSU President 2016/17

### Societies

Joining societies is a great way to meet new people with similar interests, and also gives you an excellent excuse to try something brand new. NTSU has over 80 societies you can join, so there's something for everyone. Find out more about our societies by visiting our website: [www.trentstudents.org/societies](http://www.trentstudents.org/societies)

### Sports

If sport is your thing, we have plenty to offer you. There are over 60 sports clubs at NTU and a variety of sporting activities you can take part in, from competitive leagues to one-off fun sessions. Don't miss the excitement of our annual Varsity series where we take on local rivals University of Nottingham in a series of sporting matches around the city. See more about Sport on page 30.

## Daytrips

We know that you will want to experience as much as possible while you are here. That's why we organise daytrips and weekend breaks to some of the most popular cities and attractions in the UK. See the trips we have planned at [www.trentstudents.org/trips](http://www.trentstudents.org/trips)

## Your support

NTSU runs a free and confidential Information & Advice Service (IAS) that you can access on all three campuses. Our IAS operates independently of the University, and the advice we offer is always non-judgemental and impartial. We can provide information and advice on money matters, housing issues and academic matters. Find out more at [www.trentstudents.org/advice](http://www.trentstudents.org/advice)

We also provide a number of Course Reps and School Reps who can help you if you have any issues with your course. Find out more and learn who your Reps are at: [www.trentstudents.org/academicreps](http://www.trentstudents.org/academicreps)

## Your events

NTSU runs lots of diverse entertainments in our venues. You will be issued with a free wristband so that you can attend events when you first arrive (see page 5 for details). For a full list of our events, go to [www.trentstudents.org/events](http://www.trentstudents.org/events)

## Your spaces

NTSU has a venue on each campus which include, bars, cafés, social space and free WI-FI. We want NTSU to be your home away from home, so make sure you visit us, whatever campus you are on. Go to [www.trentstudents.org/venues](http://www.trentstudents.org/venues) to find out more.

## 27 February – 3 March 2017

Global Week is a celebration of the amazing cultural diversity we have at Nottingham Trent University through a series of student-led cultural displays and activities. During Global Week 2016, students were able to: sit on the British Queen's throne; taste food from Mexico; learn Bollywood dancing from India; try on traditional clothes from the Middle East; listen to music from Africa and much more.

Now is your chance to make sure your flag is on display during Global Week 2017 and your country proudly represented by sharing your culture with other NTU Students.

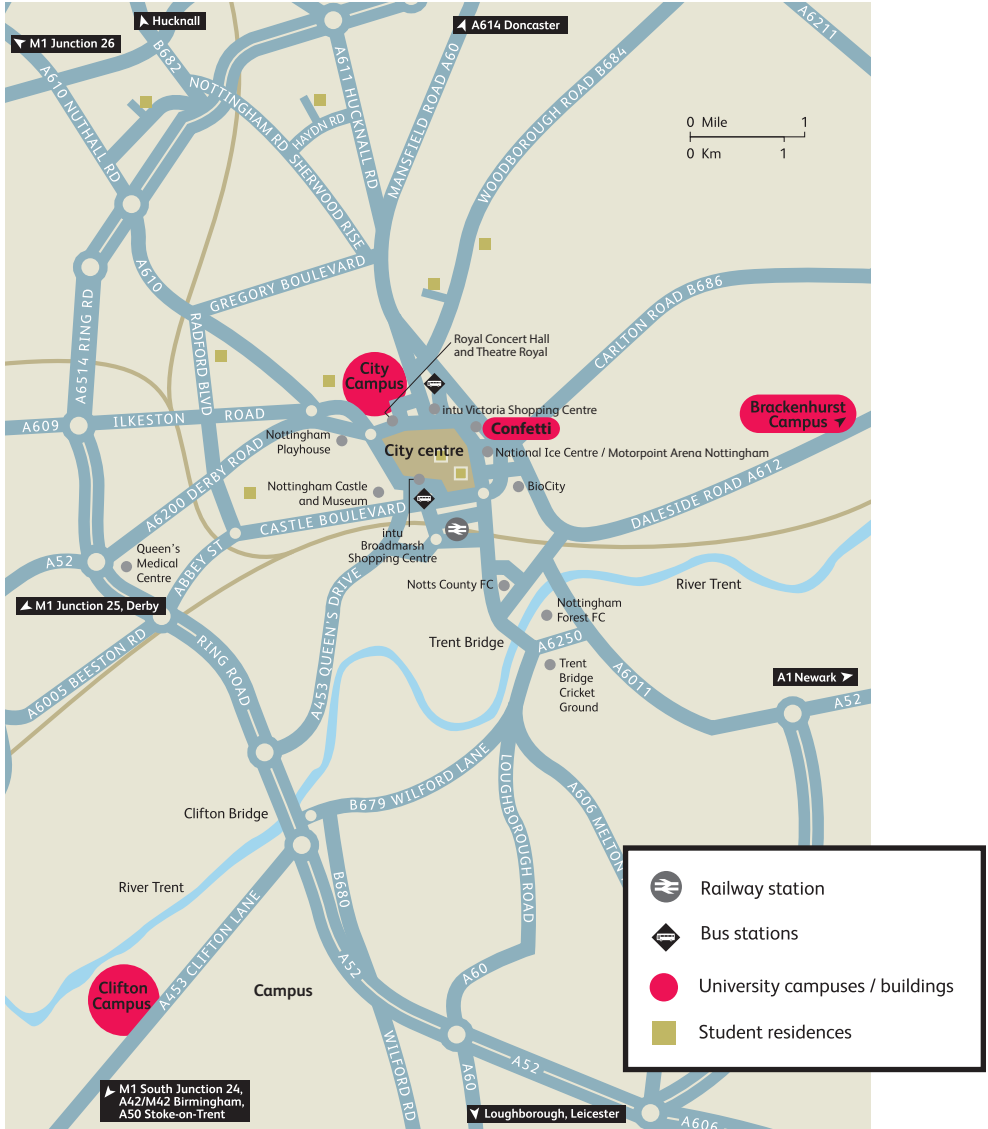

Colourful, vibrant and exciting events will be taking place at all three campuses, ending with Trent Nation – an international party in the Students' Union featuring music from across the world.

Visit [www.ntu.ac.uk/globalweek](http://www.ntu.ac.uk/globalweek) for more information.

# Essential information: Transport between campuses

Nottingham Trent University is made up of three different campuses:

- City Campus (located in Nottingham city centre)
- Clifton Campus (located four miles south of the city centre)
- Brackenhurst Campus (located 13 miles north east of the city centre, near Southwell)

## Clifton Campus

Nottingham City Transport operates the Go2 Uni 4 bus service between City Campus and Clifton Campus. The Clifton Campus bus stop is located by the Benenson building, and the bus drops you off on South Sherwood Street near the City Campus before travelling to Burton Street for the journey back to Clifton. The Go2 Uni 4 bus runs Mondays to Fridays during term-time only. This service does not run at weekends.

You can also catch Navy Line 1 which stops on Clifton Lane near the Main Gate to Clifton Campus and drops you off in the Market Square in the city centre. This service runs on weekdays and weekends, and also operates outside of term-time.

The journey takes approximately 25 minutes. Tickets cost £2 each way or £3.50 for an all-day ticket, and you will need the exact fare as bus drivers do not give change. Visit the Nottingham City Transport website for timetables and route maps: [www.nctx.co.uk](http://www.nctx.co.uk)

## Brackenhurst Campus

Brackenhurst Campus is also connected to Nottingham city centre by the Nottingham City Transport Pathfinder 100 bus service, which runs all year round. The service departs from King Street, (located just off the Market Square) and drops you off on the main road outside Brackenhurst Campus.

The journey takes approximately 40 minutes. Visit the Nottingham City Transport website for timetables, route maps and ticket prices:
