

Discussion Questions - Module / Course Level

1. What opportunities might SCALE-UP provide for your own practice?
2. What might be some challenges within your setting in introducing SCALE-UP? Consider possible solutions?
3. How could you ensure coherence across a course/module? (e.g. curriculum, learning style, levels)
4. What sort of support might colleagues need to introduce SCALE-UP into their practice?
5. How might you frame SCALE-UP at course and module level for students?
6. At a strategic level what partners and resources would you need to consider to plan effectively?
