Average age

A diverse student population

Opportunities to gain international experience*:

- Semesters of study abroad
- International study tours
- Third semester Global Experience Project or other summer school opportunities

How our courses are structured?

Semester One: *development programme and your core subject. You'll begin by taking three modules within:*

- **Economics**
- **Entrepreneurship**
- **Finance**
- **HRM**
- **International Business**
- **Management**
- **Marketing**
- **Project Management**

Semester Two: *you'll be taking three core subjects or specialisms in another subject.*

Semester Three: *take on a major project. Options include:*

- **Consultancy Experience Project**
- **Internship Experience Project**
- **Global Experience Project**
- **Business Research Project**

Options depend on course – check carefully

Placement Year: *up to 36 weeks on placement within a company in the UK or abroad. You will then complete a Business Research Project at the end.*

Please note placements are not guaranteed.
