## **If I apply who will my information be shared with?**

## **What happens next?**

Your application and evidence will be considered and if you meet all the eligibility criteria for the NTU Care Leaver Accommodation Scholarship, your application will progress to the selection process. If you do not meet the eligibility criteria (or you have not provided all the necessary evidence), we will contact you.

A selection panel will consider all applications received from eligible applicants by the 5<sup>th</sup> June deadline. The panel will use the information provided in your application, in particular your responses to the questions covered in the section 'About you, your experiences and your aspirations', to select the 20 successful scholarship recipients.

The selection panel will take the following into account in awarding Scholarships:

1. Your reasons for choosing Nottingham Trent University.

3. Your previous contributions to school/college and community life and your extracurricular achievements.
4. Your career aspirations and how your studies at Nottingham Trent University will help you achieve these.

**We will inform you of the outcome of your application by email at the end of June. The decision of the selection panel is final.**

## **Important Information**

### **Check and respond to emails**

It is important that you check your emails regularly, read them carefully and respond to any questions/instructions by the given deadline. If you do not do this, you may miss out on being awarded a scholarship.

### **The scholarship is for designated University/UPP accommodation only**

The scholarship is linked to specific University/UPP accommodation and is not available to fund alternative accommodation choices such as PBSA (Purpose-Built Student Accommodation) halls or rooms in privately rented flats/houses.

Room swaps are not part of the allocation process and cannot be facilitated within this scheme

### **Check any existing accommodation contract**

If you have signed an agreement for alternative accommodation that is not provided by NTU/UPP, you should check the cancellation policy carefully before applying for or accepting an accommodation scholarship. This includes PBSA (Purpose-Built Student Accommodation) halls and rooms in privately rented flats/houses.

### **Room Allocations**

If you are successful in securing an accommodation scholarship at the end of June, we anticipate that room allocations will be confirmed during July. As the availability of rooms will be limited, we may not be able to meet all individual needs and preferences.

### **Accepting the scholarship**

Scholarship offer letters will be sent out to eligible applicants by email at the end of June. The email will include details of the terms and conditions of the scholarship and an acceptance form that you must return. If you do not confirm acceptance by the date stated on the offer email, your scholarship may be withdrawn and offered to someone else.
