

**NTU DEVELOPMENT BOARD**

**MISSION STATEMENT**

The NTU Development Board is a body of senior executives who volunteer their time to provide support, advice and networking skills to the University. Development Board members are advocates for NTU's mission, vision and strategic aims. They assist in fulfilling NTU's ambitions to create opportunity and enrich society by furthering employment for its students, supporting NTU's social investment programme and opening up commercial partnership opportunities. They also play an integral role in its fundraising activities and in fostering alumni engagement.
