

CLIFTON CAMPUS OPEN DAY GUIDE

5 December 2026

9 am – 3 pm

NTU Nottingham Trent University

TOP 5 IN THE UK FOR EMPLOYABILITY
Uni Compare 2027

Hello, and welcome to NTU

As Vice-Chancellor and President, I'm delighted to welcome you to Nottingham Trent University (NTU) and to our open day.

Today is your opportunity to explore everything NTU has to offer and to find out if it's the right choice for you.

I would really encourage you to make the most of your visit – for example, by attending subject talks and taking part in taster sessions to learn more about your course. Please do explore our accommodation, campus and facilities, and ask plenty of questions. Our students are here to share their experiences with you, from academic life to what it's really like to live in Nottingham.

You'll hear today about NTU's outstanding teaching, the wide range of support available to students, and our strong connections with employers and industry, all of which help our students build the skills and experiences they need to succeed in their careers.

There's also a lot to discover beyond the classroom. From clubs and societies to volunteering opportunities, NTU offers a rich and inclusive student life. Our strong sporting offer, which earned us the title 'Sports University of the Year, 2026' (*Daily Mail University Guide*), means there are opportunities for everyone to get involved, whether you're competing or just staying active.

I hope you leave today with a clear sense of what it means to be a part of our community and feel excited by the prospect of joining us.

Enjoy the day, and we hope to see you again soon.

Professor Dave Petley
Vice-Chancellor and President
