

BRACKENHURST CAMPUS OPEN DAY GUIDE

Saturday 28 June

9 am – 3 pm

**Nottingham Trent
University**

Hello, and welcome to NTU

A very warm welcome to our open day. I hope the range of tours, talks, and taster sessions on offer today will give you a real sense of what life and learning at Nottingham Trent University (NTU) is all about.

We're proud to be ranked 1st in the UK for employability (Uni Compare 2025), a recognition that reflects our continued commitment to ensuring every NTU student fulfils their personal and professional potential. You will enjoy incredible developmental opportunities here, gathering a wide range of life-changing skills and experiences. Whatever course you are studying, you will have the chance to complete a year-long work placement; you will also receive a minimum of eight weeks' experience working directly with employers, careers coaching, and dedicated one-to-one guidance up to three years after completing your course. Combined with our TEF Gold-rated teaching, award-winning support services, and the countless opportunities you will have in and outside of your lectures to make new friends and connections, we are proud to offer an excellent student experience.

We are an inclusive, welcoming university, with a vibrant and diverse community of staff and students. You can hear more about student life at NTU in our welcome talk.

Enjoy the day, and we hope to see you again soon.
