Business School**
Nottingham Trent University

THE FIRST INTERNATIONAL WORKSHOP DEDICATED TO ENTREPRENEURSHIP AND INNOVATION IN SUB-SAHARAN AFRICA

The workshop aims to provide academics, policymakers, and practitioners with a valuable forum for discussion and critical analysis of the major issues and challenges that interrelate with Entrepreneurship & Innovation in Africa in all fields of Management Science.

PhD students, early-career researchers, and established scholars, will be invited to share, through presentations, their research ideas on the potentials of entrepreneurship and innovation as alternative pathways for dealing with Africa's social and economic problems.

25 & 26 February 2025

Nottingham Trent University
